The attacks are getting worse. My inbox is FILLED w/people who are seeing others call Q a LARP, asking me if it's true. If Q wasn't legitimately helping us wake people up w/the TRUTH the MSM refuses to report (by asking questions that make us DIG for answers) why all the attacks?

Sample.

3. HUGE Q confirmation! Many noticed "Q74" on 1 of the fire trucks holding Old Glory at Andrew's AFB for return of the 3 American hostages from NK. Q post #74 was a big one w/ref to FREEDOM. Flag pic w/Castle LOCK was next post believed to mean WH secured. File name: "Freedom".

Fellow Patriots:
What you are about to learn should not only scare you, but intensify your resolve to take back control (Freedom). The information that will become public will further demonstrate the criminal & corrupt (pure evil) abuse of power that the Hussein administration undertook in joint efforts w/ domestic and foreign dignitaries. The snowball has begun rolling, there is no stopping it now.

5. Thank you, [@xoxalexisdiana](#) for pointing this out! This was definitely another nod from [@realDonaldTrump](#)! No coincidences!

5. Important correction to the billboard drop. I hadn't checked the website when I shared it earlier but am told it is a Q domain sales site. Could be a honeypot to gather info. Q has removed this from the /patriotsfight/ board due to the confusion. It still shows in archives.

6. Earlier I RT'ed [@mflynnJR](#)'s tweet re: Weiner's laptop w/a quote fm Erik Prince's interview w/[@BreitbartXM](#). Was Prince a double agent travelling w/No Name? Is that how pics of him w/ISIS mbrs were obtained? He knows where bodies are buried. Rudy likely has "Insurance Files".

Blackwater founder and former Navy SEAL Erik Prince told *Breitbart News Daily* on SiriusXM that according to one of his "well-placed sources" in the New York Police Department, "The NYPD wanted to do a press conference announcing the warrants and the additional arrests they were making" in the Anthony Weiner investigation, but received "huge pushback" from the Justice Department.

7. As I often said since Q's warning to be careful who we follow, I was certain it wasn't re: hard working citizen journalists w/voluntary donate links. The problem was those intentionally misleading w/erroneous "decodes" & making a nice profit while doing so. Q just confirmed.

I don't think it would be fair to say that a journalist can't make money when covering Q. But that's the difference. A journalist covering Q isn't necessarily usurping Q. The patriots in question were trying to usurp Q. This video explains what happened very well. It certainly cleared my head about it all.

11. Thank you @55true4u for the reminder from 20 Apr (the day Mack was arrested) that Mack naming names prob includes Liddle Adam Schiff & his sick extracurricular activities at "The Standard Hotel".

12. Looks like my #6 tweet in this thread (scroll up to view) didn't show the screen shot of @mflynnJR's tweet re: content on Weiner's laptop so I'm adding it here to include in the thread. See my #6 tweet for my comments.
