Declaration of Independence tells us when a gov't destroys rather than secures its citizens' unalienable rights, those citizens have a right to revolution. I interpret "JSESSIONS[" btwn outward facing brackets = he's been unleashed. This is EP's interview:

"That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."

Why was Preet Bharara fired?
Why was the NY AG just removed?
Why did Rudy recently join POTUS' legal team after being 'quiet' for so long?
What must be cleaned first?
Who investigates?
Who prosecutes?
WHAT CAN FINALLY BE DONE?
WHO HAS THE ULTIMATE AUTHORITY?
DOES IT FALL UNDER THE RUSSIA RECUSAL?
DOES FLYNN KNOW?
Define "On the Record."

The stuff about the NYPD isn't just coming out. I'd heard about that during the campaign. But maybe the public wasn't ready for it yet?
No one wanted to believe it then.

4. Interesting that this article announcing Bhara is considering running for NY AG was published at 4am. Thinks he can continue Schneiderman's roadblock of criminal investigations? Sessions appointed Donoghue Interim US Attorney for NY Eastern District.

Bharara Weighs Independent Bid for New York Attorney General

By [Henry Goldman](#)

May 15, 2018, 4:00 AM EDT

- He has the name recognition, resume and money to make the race
- Former prosecutor plays coy about run and says 'Stay Tuned'

When a New York jury convicted ex-Assembly Speaker Sheldon Silver on bribery charges last week, the biggest winner might have been Preet Bharara, even though he was nowhere near the courtroom.
