More Q proof! Yesterday Q posted a couple coded msgs on the /patriotsfight/ board & deleted almost immediately. Anons grabbed screenshots before deleted. Note "CASTLE ARRIVAL GOOD" (Castle = WH). Today @POTUS\_Schedule tweet ref'ed "back at the castle".

2. After the successful summit w/KJU (deal was made last Nov), Q told us Iran was next. It's no coincidence Iranian Freedom Fighters are following Q. They will be freed like the people of NK. Q told us it would be "resolved by 11.11".

3. "...Governments are instituted among Men, deriving their just powers from the consent of the governed, —That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government".

Indeed!

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. – That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, – That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."

4. Turkey called appointing Huber "brilliant". Combines all powers of DoJ's IG w/prosecutor who can bring charges, seek indictments & get results for [@POTUS](#) faster than 2nd SC. He's been investigating crimes since 13 Nov 17. 2nd SC would impact midterms.

9. Anons believe Clowns were able to make it look like Russians hacked DNC servers & election systems & make it look like China hacked a Navy contractor's computer on a submarine in Washington via Marble Framework tool exposed by Wikileaks Vault 7 info release.

What is?...

# VAULT 7 p.3

## “Marble Framework”

On March 31, 2017, WikiLeaks released *Marble Framework*, part 3 of the Vault 7 series. Included is 767 source code files for the CIA's anti-forensic operations.

These programs allow the CIA to mask their hacking operations and implicate other foreign powers in their hack attempts. Marble has examples in English, Chinese, Russian, Korean, Arabic, and Farsi.

The Marble Framework source code provides both the “obfuscators” as well as the “deobfuscators.” This will allow forensic investigators to look back at previous attack signatures and determine if they were really the work of the CIA with tracks covered using Marble.
