@realDonaldTrump

Iran is failing at every level despite the terrible deal made with them by the Obama Administration. The great Iranian people have been repressed for many years. They are hungry for food & for freedom. Along with human rights, the wealth of Iran is being looted. TIME FOR CHANGE!

Text A

Text B

Text C

Text B missing and takes (4) attempts to recover due to 'glitch'.

Text B supplied in I.G. report.

How can you obtain Text A & C but somehow the most incriminating (Text B) is lost due to a glitch (recovered later only after classified intel methods applied).

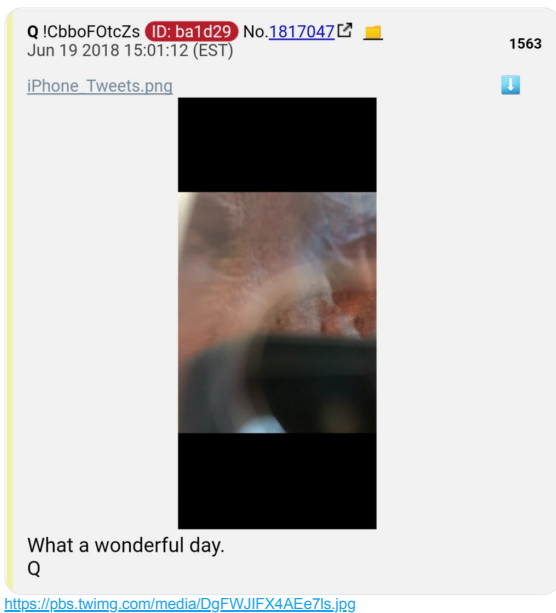

This is the level of corruption we are dealing with.

The American people are NOT STUPID.
