"Normally, intelligence passed on from a member of the "Five Eyes" alliance — Australia, Canada, New Zealand, the U.K., and the U.S. — to another member comes through an official channel for intelligence sharing. However, Nunes, upon reviewing the document that formally launched the FBI's investigation, said there was no intelligence shared through that official channel, meaning that the intelligence was shared through unofficial means."

2. Q reminds us of past drops re: FVEY prgm. When US citizens are monitored by US intel, logs/records kept but if FVEY partners spy vs US citizens, DS operatives can obtain intel without logs/records. This is how the DS ran Spygate. Will likely see start date was before Jul 2016.

BREAKING: I'm at the federal courthouse, and it seems that Imran Awan's Plea deal says that he cannot be charged with any previous non-violent crime.

Think logically.

Thing IG report.

Think what's missing.

Do you think this was going to be litigated in this setting?

Case that implicates some of the most senior elected officials (treason) is being handled by the appropriate office.

Think NATIONAL SECURITY.

5. Guessing pleading guilty to Bank Fraud charges will connect to all involved in the pay-to-play scheme that enabled foreign bad actors access to our Nation's most closely-guarded secrets. "America for sale." Not only opens everyone involved to RICO charges, but treason as well.

@realDonaldTrump

Our Justice Department must not let Awan & Debbie Wasserman Schultz off the hook. The Democrat I.T. scandal is a key to much of the corruption we see today. They want to make a “plea deal” to hide what is on their Server. Where is Server? Really bad!

10:07 AM - Jun 7, 2018

 103K  49.3K people are talking about... 

Logical thinking.

Why was the case against AWAN filed under BANK FRAUD?

The result today is re: BANK FRAUD.

See last.

Connect.

The SWAMP is being DRAINED.

6. The plea deal states Awan cannot be charged with any previous non-violent crimes...but what if he was involved in the "Crime Against Children" mentioned briefly in the OIG report. This anon's theory sounds plausible.

"cannot be charged with any previous NON-VIOLENT CRIME.

"See last."

Think logically.

Thing IG report.

Think what's missing.

This is why it is filed under bank fraud, they will get him on violent crimes. Crimes against children was missing from the IG report aside from two two times in which it was only mentioned with no substance.

"Do you think this was going to be litigated in this setting?

Case that implicates some of the most senior elected officials (treason) is being handled by the appropriate office.

Think NATIONAL SECURITY."

Early Q drops point to that this is pointing to being handled by MI. Another setting would also be Huber.

anons already figured this out by i can add that i have  
suspected for some time that the state charges were  
just a delay tactic until the main indictments are

it is also possible or even likely given the way they  
treated awan that he will be a prosecution witness
