New Q drop at [ganon.pub](#). Can't upload screenshot (limited Wifi).

@realDonaldTrump NEVER speculates. Huber reports to Sessions & has evidence of ALL (servers, emails, texts). Repeated msgs needed to bypass MSM (propaganda arm of Dems/DS). Reach growing exponentially.

2. Link is letter to Sessions, Wray & Huber re: criminal referral for investigation vs Comey, HRC, Lynch, McCabe, Strzok & Page for potential violations of Federal statutes re: use of unverified Steele dossier as primary justification for FISA warrant to spy on Trump campaign.

3. Able to upload screenshots now (turned off WiFi). Here is the first drop from Q after a 20-day absence. Silence truly IS golden as it left the DS maggots guessing what was happening and they are now in full panic mode. See my first post (this thread).

Mystery surrounds Sessions appointee to FBI investigation

U.S. Attorney John Huber has been given an unusual role.

From Sea to Shining Sea.
Who does Huber report to **[directly]**?
Define evidence.
Who has the server?
Why does POTUS continually refer to the server?
POTUS does not speculate.
Future proves past.
Who has it all?
Topics stated in past.
Future BIG meaning?
Repeats important.
Think Twitter.
Those awake see.
Those asleep blind.
Fake news **[prop arm of D/DS]** failing.
Panic.
Silence is golden.

4. HuffPo hit piece on Q.

"As conspiracies go, QAnon isn't even faintly plausible. It's every conspiracy, all at once, an orchestra tune-up of theories."

They really ARE panicking...and I, for one, am loving every minute of it.

The QAnon Conspiracy Has Stumbled Into Real Life, And It's Not Going To End Well
Armed men showing up and demanding answers to conspiracies. That can't be good.

6. Mirrors (mirrored earlier drops?) and disinfo necessary to keep the DS guessing as they too watch the boards. The lengthy (20-day) silence had them in sheer panic mode not knowing what was coming when, thus preventing timed FF attacks to try to change the narrative.

>>2263659

Now do you understand why mirrors and disinformation is necessary?

Logical thinking.

7. FOIA requests (e.g., fm [@JudicialWatch](#)) can only be fulfilled if the info is unclassified. [@realDonaldTrump](#) has the authority to declassify info. Redactions due to ongoing (Huber) investigations. Napolitano asks if Huber is "undercover special counsel".

Lies pushed by today's MSM no different than propaganda pushed by Nazis. Was Bush's grandfather involved? Is the Bush family involved w/today's propaganda fm MSM?

10. Love it! Q posted "Sea to Shining Sea" before [@realDonaldTrump](#) took the stage at the VFW Nat'l Convention where Lee Greenwood sang "sea to shing sea" (21:33) & our POTUS acted like he was conducting the song right as those words were sung! "Q marker"!

11. These words put a big smile on my face! I can only imagine how amazing life is going to be once power is fully restored to WE THE PEOPLE! For those who feel things aren't moving fast enough, it took several decades to get us here. The destruction of the OLD GUARD takes time.
