Dick Bove: Trump poised to take control of the Federal Reserve

President Donald Trump has multiple reasons as to why he should take control of the Federal Reserve. He will do so both because he can and because his broader policies argue that he should do so.

O LORD JESUS CHRIST OUR GOD: Accept from us, Thine unworthy servants, this fervent supplication, and having forgiven us all our sins, remember all our enemies that hate and wrong us, and render not unto them according to their deeds, but according to Thy great mercy convert them:
The unbelieving to true faith and piety, and the believing that they may turn away from evil and do good.

By Thine all-powerful might, mercifully deliver all of us, Thy holy Church and our Nation from every evil circumstance.

Free our homeland, from all enemies, both visible and invisible and their power; Hearken unto the painful cry of Thy faithful servants who cry unto Thee day and night in tribulation and sorrow, O our most merciful God, and lead their life out of corruption.

Grant peace and tranquility, love and steadfastness, and swift reconciliation to Thy people, whom Thou hast redeemed by Thy precious Blood. But unto them that have departed from Thee and seek Thee not, be Thou manifest, that not one of them perish, but that all of them be saved and come to the knowledge of the truth; that all in harmonious oneness of mind and unceasing love may glorify Thy most holy name, O patient-hearted Lord Who art quick to forgive.

Matthew 6: 5-13
1599 Geneva Bible

5 And when thou prayest, thou shalt not be as the hypocrites are: for they love to pray standing in the synagogues and in the corners of the streets, that they may be seen of men. Verily I say unto you, They have their reward.

6 But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly.

7 But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking.

8 Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him.

9 After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name.

10 Thy kingdom come, Thy will be done in earth, as it is in heaven.

11 Give us this day our daily bread.

12 And forgive us our debts, as we forgive our debtors.

13 And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Amen.

— That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. —

Revealed: 'Ordinary' citizen John McCain dispatched a trusted aide across the Atlantic to get dirty dossier from ex-spy after former British diplomat told him about blackmail tapes

- The Guardian charted the path the dirty dossier made from a British intelligence professional to Sen. John McCain and then the FBI
- McCain, 80, put out a statement Wednesday saying that he was the bureau's source of the controversial dossier
- The Arizona Republican found out about the dossier's existence while at a meeting in Canada and dispatched an emissary to hunt it down
- He met an ex-British diplomat in Canada - now identified as Sir Andrew Wood - who in one version of events told him about the file
- Wood is a former associate of Tony Blair the ex-British prime minister, and admitted talking to McCain
- He issued a nuanced statement saying he did not give McCain the dossier and had 'done nothing wrong' - but he did not deny telling McCain the file existed

LOOK WHAT THE PENTAGON HAD PLANNED FOR US?
In 2004, the CIA had COMPLETE control of the Pentagon...

PENTAGON KILLS LIFELOG PROJECT

THE PENTAGON CANCELED its so-called LifeLog project, an ambitious effort to build a database tracking a person's entire existence.

Run by Darpa, the Defense Department's research arm, LifeLog aimed to gather in a single place just about everything an individual says, sees or does: the phone calls made, the TV shows watched, the magazines read, the plane tickets bought, the e-mail sent and received. Out of this seemingly endless ocean of information, computer scientists would plot distinctive routes in the data, mapping relationships, memories, events and experiences.

17. Today's news re: Freedom Caucus (via @RepMarkMeadows Tweet) moving to impeach Rosenstein is another "future proves past" example. Ryan is not seeking reelection, but I believe he's being compelled to bring this vote to the House floor to save his hide from his own "misdeeds".

Just a reply to Q from last thread about Ingraham interview; It was an awful interview. Once again, weak, ineffectual, limp wristed promises to hold a vote, to hold Rosenstein in contempt. Who. Cares?

Until Rosenstein is hauled off by the House Sergeant At Arms, as granted per the Supreme Court, it means NOTHING. Anyone remember Holder? Nothing happened to him. Nothing. This pisses me off to no end. Just close the fist and crush them already. What the hell is Trump waiting for?!
