1. Everything we are seeing re: RR impeachment is being meticulously orchestrated for the desired outcome: Draining the Swamp. If after all @POTUS has accomplished (yet barely covered by MSM) hasn't convinced you he is in FULL CONTROL, not sure what will. What was the point of filing impeachment art if Ryan was going to reject?  
Known beforehand?  
Optics.  
Think logically.  
Could Sessions publicly challenge [RR] w/o creating a dilemma?  
What events would immediately transpire if Sessions challenged [RR]?  
Would it immediately demonstrate that Sessions must be aware of key Mueller facts?  
Facts (or failure of duty) that he cannot possibly 'know' if recused?  
Facts (a case) he is suppose to be recused from?  
Think logically.  
One challenge to [RR] would immediately trigger attacks to remove Sessions given his clear involvement in receiving information re: a case he is fully recused from.  
Who does Huber [directly] report to?  
Is it normal [RR] is side-stepped re: Huber CoC?  
Why is this important?  
Why did Sessions recuse?  
Is the LEFT attacking Sessions?

<https://pbs.twimg.com/media/DjDPbBIUQAABkCz.jpg>

What advantage(s) exist based on this setup?  
POTUS publicly expresses his anger re: his recusal?  
Do you believe POTUS would allow a complete takeover of his DOJ if nothing was being done behind the scenes to hold people accountable?  
When POTUS states "the swamp is being drained" do you believe it?  
When POTUS states "it's happening" do you believe it?  
Do you believe POTUS would allow Sessions & [RR] to run HIS DOJ if something wasn't being done to his liking?  
LOGICAL THINKING.  
Clickbait derails logical thought.  
Think for yourself.  
Trust yourself.  
Mueller investigating POTUS' Tweets for obstruction?  
You have a front row seat.  
Enjoy the show.

8. Odd...the link in my first Tweet (this thread) fm yesterday's Q drops re-routes to a Hannity piece on Ocasio-Cortez. It SHOULD'VE opened up PDF file on a paper - "Robert Mueller: Unmasked" - written by @LouieGohmertTX1. Trying again.

**ROBERT MUELLER: UNMASKED**  
*by Congressman Louie Gohmert*

**R**obert Mueller has a long and sordid history of illicitly targeting innocent people that is a stain upon the legacy of American jurisprudence. He lacks the judgment and credibility to lead the prosecution of anyone.

I do not make these statements lightly.

Each time I prepared to question Mueller during Congressional hearings, the more concerned I became about his work ethic. Then as I went back to begin compiling all that information in order to recount personal interactions with Mueller, the more clearly the big picture began to come into focus. At one point I had to make the decision to stop adding to this or it would turn into a far too lengthy project.

My goal was to share some first-hand information as other Republican Members of Congress had requested, adding, "You seem to know so much about him." This article is prepared from my viewpoint to help better inform the reader about the Special Prosecutor leading the effort to railroad President Donald J. Trump through whatever manufactured charge he can allege. Judging by Mueller's history, it doesn't matter who he has to threaten, harass, prosecute or bankrupt to get someone to be willing to allege something—anything—about our current President, it certainly appears Mueller will do what it takes to bring down his target, ethically, or unethically, based on my findings.

What does former Attorney General Eric Holder say? Sounds like much the same thing I just said. Holder: "I've known Bob Mueller for 20, 30 years; my guess is he's just trying to make the case as good as he possibly can." Holder does know him. He has seen Mueller at work when Holder was obstructing justice and acting in contempt of Congress. He knows Mueller's FBI framed innocent people and had no remorse in doing so. Let's look at what we know.

What I have accumulated here is absolutely shocking upon the realization that Mueller's disreputable, twisted history speaks to the character of the man placed in a position to attempt to legalize a coup against a lawfully-elected President.

Any Republican who says anything resembling, "Bob Mueller will do a good job as Special Counsel," "Bob Mueller has a great reputation for being fair," or anything similar; (A) wants President Trump indicted for something and removed from office regardless of
