1. @DevinNunes says we will be "shocked" by what's in redacted 20 pgs of last FISA warrant signed by [RR]. Freedom Caucus sent memo in Jun to @POTUS to req declas. Under legal review (w/Huber to ensure related investigations done).

That is actually quite encouraging because we have faced their tactics and their disruption, and it has not weakened our resolve. Rather, it has made us stronger. Like an allergy treatment where you receive a tiny dose of the allergen, then a bit more, then a bit more.

We have faced it and we have overcome.

Too bad for C_A/MOS that they're simply getting ignored.

I'm talking to them right now:

You better sure as hell get this straight: Your efforts are wasted. Your cause is lost. This movement is far, far too established for you to fight. You CANNOT change the way people think. Ever. The strategies and methods used in the past will never be effective again.

Your wrong-headed protectionist policies & antics are damaging our global standing as well as our national interests. Your worldview does not represent American ideals. To allies & friends: Be patient, Mr. Trump is a temporary aberration. The America you once knew will return.

Donald J. Trump @realDonaldTrump

PM Justin Trudeau of Canada acted so meek and mild during our @G7 meetings only to give a news conference after I left saying that, "US Tariffs were kind of insulting" and he "will not be pushed around." Very dishonest & weak. Our Tariffs are in response to his of 270% on dairy!
