"This is far from a 'vigilante group'; leading the team is ex-Department of Homeland Security special agent Tim Ballard, perhaps America's foremost human trafficking expert. "The problem in Haiti is an international crisis," Ballard explains. "With so many children displaced or orphaned during the recent earthquake and hurricane, recruiters moved quickly to sweep these children up. And the worst part of it all is that in many cases the clients are the foreigners who've come here to help, the NGO workers and the so-called humanitarians."

Varied Forms of Abuse

Most of the Pennsylvania victims were boys, but girls were abused, too, the report said.

The abuse ranged from groping and masturbation to anal, oral and vaginal rape. One boy was forced to say confession to the priest who sexually abused him. A 9-year-old boy was forced to perform oral sex and then had his mouth washed out with holy water. Another boy was made to pose naked as if being crucified and then was photographed by a group of priests who Attorney General Josh Shapiro said produced and shared child pornography on church grounds.

"For now we see only a reflection as in a mirror; then we shall see face to face. Now I know in part; then I shall know fully, even as I am fully known."

Corinthians 13:4-13

"Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints."

Hello all-I may be facing a very interesting situation where I need to strip out a VIP's (VERY VIP) email address from a bunch of archived email that I have both in a live Exchange mailbox, as well as a PST file. Basically, they don't want the VIP's email address exposed to anyone, and want to be able to either strip out or replace the email address in the to/from fields in all of the emails we want to send out.

I am not sure if something like this is possible with PowerShell, or exporting all of the emails to MSG and doing find/replaces with a batch processing program of some sort.

Does anyone have experience with something like this, and/or suggestions on how this might be accomplished?

Child sacrifice

The origins of Tanit are to be found in the pantheon of Ugarit, especially in the Ugaritic goddess Anat (Hvidberg-Hansen 1982), a consumer of blood and flesh. There is significant, albeit disputed, evidence, both archaeological and within ancient written sources, pointing towards child sacrifice forming part of the worship of Tanit and Baal Hammon.^[10]

Some archaeologists theorised that infant sacrifices have occurred. Lawrence E. Stager, who directed the excavations of the Carthage Tophet in the 1970s, believes that infant sacrifice was practiced there. Paolo Xella of the National Research Council in Rome summarized the textual, epigraphical, and archaeological evidence for Carthaginian infant sacrifice. [11]

Maybe worn 2 times.. *>>MILAGROS are small metal religious charms found in many areas of Latin America, especially Guatemala & Mexico. The word "Milagro" means "miracle" or Offering (Exvotos). These small charms, often depicting arms, legs, praying people, farm animals and a wide range of other subjects are typically nailed or pinned to crosses or wooden statues of various saints like the Virgin Mary or Christ, sacred objects, pinned on the clothing of saint statues, or hung with little red ribbons or threads from altars and shrines. They are also carried for protection and good luck and thanks to Saints and Their animals. The 1848 repro Coin pendant is of José Rafael Carrera Turcios was the president of Guatemala from 1844 to 1848 and from 1851 until his death in 1865, after being appointed President for Life in 1854.
