3. Not sure about this one. UIO is Equador where Snowden wanted to seek asylum. Assange told him it wasn't safe and that he'd be safer in Russia. Was Russia always intended destination to hurt US-Russia relationship? DS would love to go to war w/Russia.

Julian Assange 'told Edward Snowden not seek asylum in Latin America'

Ask yourself simple questions.
If ES was trying to travel to UIO from HKG.
Why would he route through Russia?
How many direct flights (per day) from HKG to UIO?
What if Russia was the original target?
Ask yourself, would you NOT want to be at your preferred destination PRIOR TO going public?
Logical thinking.

5. Excerpt fm Comey 12.9.16 email re: inadequate "dedicated resources" to shelter against Pres Daily Brief intel. When McCabe was fired he tweeted that McCabe "stood tall" which Q decoded on 29 Jan to mean "[DO NOT TALK]". Will Comey keep quiet or cower?

Once again this president is sending a message that he will punish people who disagree with him and reward those who praise him. In a democracy, security clearances should not be used as pawns in a petty political game to distract voters from even bigger problems. This president befriends and praises despots and dictators like Putin and Kim Jong-un. Those friends provide stark contrast to the patriotic Americans and public servants he disrespects, threatens, and calls enemies: a war hero like John McCain, members of our country's free press, and devoted public servants like John Brennan. American voters must not shrug off or be distracted from the terrible behaviors of this president, who lies to the American people every day, encourages racism, is a misogynist, and always puts his own interests above those of the United States of America. Politicians enabling this president should be held accountable in future elections. We are each responsible for what we say as well as for our silence.
