Interesting notable from the boards...an anon speculates about Comey's tweets and Q's recent drops.

▶ **Did James Comey just propose a perjury plea deal with Q?**

Regarding Q's post 1930, let me see if I can summarize what just happened between Q and James Comey.

1. At 5:51 PM 15-Aug-2018, James Comey, writes a Twitter message attacking POTUS. His message is too long for posting so uploads a JPG image.
2. The next day at 1:00 PM, 16-Aug-2018, (Q's post 1912) Q speaks directly to Comey when Q quotes an intercepted email draft or drop box presumably written by Comey concerning his conspiring with other covert intel operatives imbedded within the POTUS admin. Q also intimates to Comey that he has videographic evidence of Comey's involvement in said conspiracy. In other words, Q told Comey he has everything he needs to put Comey behind bars for a very long time and if Comey doesn't shut the F up he's only going to make matters worse.

3. Three days later Comey's very next tweet answers Q directly when he uses the word "untethered" in connection with his reply to Q. In one sentence Comey tells Q "People who lie are held accountable." In doing so Comey told Q that he will plead guilty to "perjury" and cooperate with Q if Q will agree to limit his criminal charges to a single charge of perjury.

4. Q's response? No response from Q yet... but it's coming.

Reminder...

"The corruption that will come out is so serious that deals must be cut for people to walk away otherwise 70% of elected politicians would be in jail (you are seeing it already begin)."

15

There are more good people than bad. The wizards and warlocks (inside term) will not allow another Satanic Evil POS control our country. Realize Soros, Clintons, Obama, Putin, etc. are all controlled by 3 families (the 4th was removed post Trump's victory).

11.3 - Podesta indicted
11.6 - Huma indicted

Manafort was placed into Trump's camp (as well as others). The corruption that will come out is so serious that deals must be cut for people to walk away otherwise 70% of elected politicians would be in jail (you are seeing it already begin). A deep cleaning is occurring and the prevention and defense of pure evil is occurring on a daily basis. They never thought they were going to lose control of the Presidency (not just D's) and thought they had control since making past mistakes (JFK, Reagan).

Good speed, Patriots.
P.S., Soros is targeted.

Another reminder...

Any person making statements they will not be seeking re-election was put in submission. For the betterment of the country not all will be prosecuted and all will do as told. You will see more of this occur (not normal yet disregarded) and even on the D side.

Not normal, is it?
