1. New Q. Link to info about NSA's Utah Data Center. Note: this is a PARODY site; not endorsed by @NSAGov. The "Domestic Surveillance Directorate" is a fictitious entity created in 2012 "to raise awareness of privacy issues."

Huber is in Utah too. 😊

#### The Definitive NSA Parody Site Is Actually Informative

"Mueller's team now has 15 attorneys."

Meanwhile in Utah...Huber has a team of 470!

Ryan Dickey and Brian Richardson appear to have left the team this summer, according to a report by CNN, which first broke the news of the exits.

5. Polls were obviously fake. HRC couldn't even fill a HS gym while @realDonaldTrump had to move rallies to large venues/arenas. Enthusiasm for Trump was MASSIVE. The OLD GUARD didn't have full control over msg via social media & Trump won, thus the push for Big Tech to censor.

**[Point 3 - FAKE NEWS LOGIC]**

If people believe the 'majority' of people feel a certain way about something....

Do they 'go with the majority' to feel accepted?

If the 'majority' of people believe something does that imply it must be RIGHT?

Does this give rise to 'we are the majority' mindset?

Define 'Echo Chamber'.

: a metaphorical description of a situation in which beliefs are amplified or reinforced by communication and repetition inside a closed system?

Prior to new platforms [networks] connecting people....

Did the OLD GUARD have FULL CONTROL?

Did the OLD GUARD 'learn' from this mistake (2016 election) and now tasking all new platforms [networks] to censor?

When you are awake you can see CLEARLY.

 Reconcile against results.

## Judicial Watch: Justice Department Discloses No FISA Court Hearings Held on Carter Page Warrants

AUGUST 31, 2018

***'[N]o such hearings were held with respect to the acknowledged FISA applications. Accordingly, no responsive hearing transcripts exist.'***

<https://pbs.twimg.com/media/DI9OyaXUwAAAYCD7.jpg>

"It is disturbing that the Foreign Intelligence Surveillance courts rubber-stamped the Carter Page spy warrants and held not one hearing on these extraordinary requests to spy on the Trump team," said Judicial Watch President Tom Fitton. "Perhaps the court can now hold hearings on how justice was corrupted by material omissions that Hillary Clinton's campaign, the DNC, a conflicted Bruce Ohr, a compromised Christopher Steele, and anti-Trumper Peter Strzok were all behind the 'intelligence' used to persuade the courts to approve the FISA warrants that targeted the Trump team."

"While the Foreign Intelligence Surveillance Court (FISC) was considering the government's annual application to renew the Section 702 certifications, NSA reported several earlier, inadvertent compliance incidents related to queries involving U.S. person information in 702 "upstream" internet collection. Although the incidents were not willful, NSA was required to, and did, report them to both Congress and the FISC. The court issued two extensions of the government's renewal application in order to receive additional information from the government about this issue and the government's plan to resolve it. The previous year's certifications remained in effect during these extension periods. "

This stood out

"After considerable evaluation of the program and available technology, NSA has decided that its Section 702 foreign intelligence surveillance activities will no longer include any upstream internet communications that are solely "about" a foreign intelligence target. Instead, this surveillance will now be limited to only those communications that are directly "to" or "from" a foreign intelligence target. These changes are designed to retain the upstream collection that provides the greatest value to national security while reducing the likelihood that NSA will acquire communications of U.S. persons or others who are not in direct contact with one of the Agency's foreign intelligence targets.

In addition, as part of this curtailment, NSA will delete the vast majority of previously acquired upstream internet communications as soon as practicable."

Do you believe actual 'polls' were conducted?

Pre-election polls: HRC favored 90-98%?

Reconcile against results.

Why is there emphasis put on polls?

Define 'Human Nature'.

: the general psychological characteristics, feelings, and behavioral traits of humankind, regarded as shared by all humans?

[Point 1 - FAKE NEWS LOGIC]

If people believe the odds are hopeless their candidate will win...

Do they still make the effort to vote?

[Point 2]

If people believe the odds are overwhelming their candidate will win....

Do they still make the effort to vote?

Does 1 cancel 2?

<https://pbs.twimg.com/media/DI-sclivAAAY6Dr.jpg>

[Point 3 - FAKE NEWS LOGIC]

If people believe the 'majority' of people feel a certain way about something....

Do they 'go with the majority' to feel accepted?

If the 'majority' of people believe something does that imply it must be RIGHT?

Does this give rise to 'we are the majority' mindset?

Define 'Echo Chamber'.

: a metaphorical description of a situation in which beliefs are amplified or reinforced by communication and repetition inside a closed system?

Prior to new platforms [networks] connecting people....

Did the OLD GUARD have FULL CONTROL?

Did the OLD GUARD 'learn' from this mistake (2016 election) and now tasking all new platforms [networks] to censor?

When you are awake you can see CLEARLY.

**White Rabbit character description**

The White Rabbit is the first Wonderland character Alice encounters. He is mentioned in chapters 1, 2, 4, 8, 11, and 12 from "Alice's Adventures in Wonderland".

Alice follows him when he hurries into his hole and thereby enters Wonderland. He appears to be late for his job with the Duchess. While walking through Wonderland, Alice comes upon his house where the White Rabbit, still in a hurry, mistakes her for his housemaid Mary Ann, and orders her to get his gloves and a fan. When she grows and gets stuck in the house, the Rabbit orders Pat to get her out. In the end we discover that the White Rabbit is a herald in the Queen of Heart's court.

The White Rabbit is nervous and always in a hurry. However, he is confident enough about himself to contradict the King of Hearts.

In The Matrix, there are several metaphysical "waking up" metaphors that reference the Wonderland stories. Early in the film, Neo is told to follow the "White Rabbit" and seconds later, his doorbell rings, and when he opens the door he finds a woman with a tattoo of a white rabbit on her shoulder. Later in the film, Morpheus offers him the "red pill" to "find out just how deep the rabbit hole goes". Right before he meets the oracle one can see Night of the Lepus playing on a nearby television, symbolizing Neo's decision to "follow the white rabbit" and to disturb the order of the Matrix.

I am guessing that the white rabbits are the corrupt Saudi princes that crown prince Mohammed bin Salman rounded up and neutralized. See pie of them dressed in white garb.

Trump's first overseas trip was to visit Saudi Arabia where he was welcomed by the sword dance, a symbol of preparing to go to war.

But who were Trump and MBS going to war with? With the family at the top of the pyramid which controlled the crooked princes. We know the Saudis has the most wealth of all the legs of the triangle, but we know that they were not in control. If Soros answered to P, the Payseurs, I assume that the crooked Saudis did too.

During the payseurs investigations a few days ago, it was discovered that the Ps developed the Mideast oil production and thus controlled all the oil via fractional banking system, which really put most of the money back into the banks owned by the Payeurs.

So one of Trump's first acts was to work with the new crown prince king to cut the strings, stop the flow of money to the Payseurs and crooked Sauds. This was how he cut the legs out from under our crooked politicians too, who were being bought and paid for by the Sauds.

Q told us that the round up of all these crooked \_\_\_\_\_

princes were very important. They probably each had a certain sector of responsibility they controlled. They were just puppets themselves. Trump had to work with MBS to arrange for a new form of wealth for their country.
