Nunes: American People 'Will Be Shocked' by What's in Redacted Portion of FISA Application

Debra Heine 07-29-2018 09:11:32 PM Comments

House Intelligence Committee Chairman Devin Nunes said Sunday that the American people will be "shocked" when they see what's in the still-redacted portions of the FBI's applications for surveillance warrants against former Trump campaign adviser Carter Page.

"We are quite confident that once the American people see these 20 pages, at least for those that will get real reporting on this issue, they will be shocked by what's in that FISA application," Nunes said in an interview with Fox Business' Maria Bartiromo.
