1. Q confirms Hannity is a patriot. Ignore the shills attacking him. Sara Carter too.

New shill tactic is to smear Sean Hannity

Just so everyone understands, Q has directly told us to watch Hannity. Q also links us to Sara Carter, who is literally on Hannity every single night.

Hannity is a patriot.

2. Right on Q! This is what I was waiting for. Be careful who you follow. Thomas Drake calling out JTF MAGA & reportforthe president sites. The fact that they added Drake w/o his permission & then had to remove him speaks volumes.

PSA: Heard [reportforthe president.org](#) claiming I'm prominently behind it w/ my image on their website. However, I disavow ANY connection of ANY kind, am NOT part of their team, was never contacted & they're using my name w/out my consent or permission in blatantly false advertising.

5/6 But our leaders aren't even asking these questions. Instead they're trying to silence anyone who raises them, while at the same time promoting mindless tribalism for political expedience. Division keeps them in power.

I love skills now at this point. Even when this is over some Mossad/Clown asshole will still be typing useless division tactics out of his frayed handbook on to an empty board. Some people just don't know when they have lost...
