Panic in DC.
James Baker testifying against Comey?
Q

13:35 (transcript)
Joe DiGenova
"As I've been saying for two years, there's been a brazen plot to illegally exonerate Hillary Clinton in the email case and then if she had lost, to frame Donald Trump. And that is exactly what these texts are about. Whether or not Mr. Strzok and Lisa Page and others are indicted is certainly a question people can debate, but let me just say I know there is a grand jury underway, testimony is being taken about Strzok, Page, McCabe and others involved in this case and the reason we know it is that James Baker, the former general counsel of the FBI, as turned State's evidence is fully cooperating with the Inspector General and with the Federal Grand Jury. I can assure you, Mr. Comey has been very silent in recent weeks and the reason is very simple: he knows he's going to be indicted."

Those who cannot understand that we cannot simply start arresting w/o first ensuring the safety & well-being of the population, shifting the narrative, removing those in DC through resignation to ensure success, defeating ISIS/MS13 to prevent fail-safes, freezing assets to remove network-to-network abilities, kill off COC to prevent top-down comms/org, etc etc. should not be participating in discussions.
