1. Last night DJT told Hannity in Vegas 2 allies wanted to speak w/DJT. UK/AUS [primary] concerned their involvement (via unofficial channels) in FVEY spying on Trump will be revealed in UNCLAS docs. We've known this for a while now fm past Q drops. RR is done once docs released.

2. Our "allies" know what's in FISA docs. They know DJT has EVERYTHING. They watch Q drops too.

"The world is watching." Are they willing to turn over everything they have on Hussein admin to save face? Will FVEY intel-sharing agreement be ended once truth revealed? It should be.

3. HUGE indicator of what midterms could look like IF we turn out in massive numbers the way they showed up for this TX special election & the way we show up for @realDonaldTrump rallies. Let's not settle for a RED WAVE...let's shoot for a RED TSUNAMI!

Newt Gingrich: Texas offers a blueprint for a red wave election in November
This week, Texas Republicans won a special election for a state Senate seat in a district along the Mexican border. Every Republican campaign in the country should study this race carefully.

"You may not have read about this GOP victory, because the liberal national media is not exactly excited to report that Republicans reclaimed a seat they had not held in 139 years."
"...this victory is even more frightening because the district is 73 percent African-American and Hispanic."
Read carefully - significant!
RED WAVE
Q

<https://pbs.twimg.com/media/DnoWvU4AEPCXE.jpg>

This upset can take place:

If we have the courage to make the November midterm a big-choice election.

If we have the courage to campaign on issues that the American people support – even if the liberal media hates them and despises us for raising them.

If we are willing to go into every neighborhood and every precinct and appeal to every American of every background.

If we are willing to challenge liberal lies and distortions head-on and force the left to admit they are not true.

If we do this at the national level, in the media, and at the local level in each campaign.

If we pick up the big-choice themes that President Trump is beginning to lay out (note his recent rally speech in [Montana](#)).

These are the lessons of the great victory in the Texas State Senate District 19 special election. It is not based on a theory. It is based on real victories, in real elections.

Schumer's Warning

Senate Democratic Leader Chuck Schumer quickly warned Trump against seizing on the report as a reason to dismiss Rosenstein.

"This story must not be used as a pretext for the corrupt purpose of firing Deputy Attorney General Rosenstein in order install an official who will allow the president to interfere with the Special Counsel's investigation," Schumer said in a statement. He added that many "White House and cabinet officials have been reported to say critical things of the president without being fired."
