New Q. I knew as soon as I saw this tweet, [@realDonaldTrump](https://twitter.com/realDonaldTrump) was confirming what Q posted early this morning! Dems can threaten investigations all they want. They KNOW there are already COMPLETED investigations of their crimes & indictments w/their names. DOJ reports to [@POTUS](https://twitter.com/POTUS).

2. Q responds to anons. For those who are discouraged, you're allowing emotions to cloud your ability to see the genius in this plan. Add'l Senate seats gives [@POTUS](https://twitter.com/POTUS) the power needed to finally move the plan forward. Our President gave us a Q proof today confirming earlier drops.

We are at war.
Think logically.
Why was winning the House majority the primary goal for them?
To this point, what chamber is currently directing the DOJ/FBI investigations?
To this point, what chamber do they feel most threatened by?
While the focus was on the House for them (due to above), our underlying focus was adding PRO_POTUS members to the Senate and safely securing a PRO_MAJORITY.
THE SENATE IS WORTH SO MUCH MORE.
THE SENATE CONTROLS JUDGES & CABINET POSITIONS W/O HOUSE APPROVAL.
THE SENATE JUDICIARY COMMITTEE HAS DIRECT OVERSIGHT OVER THE DOJ&FBI **[MORE POWER THAN THE HOUSE]**.
While we had a senate majority on paper, in reality, we never did, nor could we count on bringing investigations to that body until it was safely in our full control.
THE SENATE WAS ALWAYS THE PRIMARY OBJECTIVE.
Moves & countermoves.
We defied history by picking up Senate seats.
Patriots delivered.
Disinfo is necessary.
Enemy at the front door.
Our attempt at reassurance re: last drops re: House >>>
Senate backed by POTUS tweet directly thereafter stating the same thing should have put this to bed.
How many coincidences before it's mathematically impossible?
Do you think the current 'shill' attack is organic?
Buckle up.
Q

<https://pbs.twimg.com/media/Dra8XMzU4AABJeM.jpg>

This is a risky game for Q too because it eats his credibility amongst anons so to counter this he shows us proof of progress through news so anons don't lose hope. Oh and the midterms, did you guys see the amount of Q confirmations we had few days before it? Trump's campaign manager for 2020 elections gave us a password which added to number 17 and 17th letter on the alphabet is Q. How about Trump's air Q or 3 BOOM BOOM BOOMS on his final rally? All this was done beforehand because they knew Dems would win the House and this would start "Q is a larp" bullshit again. It never made sense why they'd give so many Q confirmations in a short period of time until I saw the midterms results. Dems had to win the House by any means necessary and Q team and mil allowed it to happen and were recording all that election fraud which occurred.

For those of you who haven't been around for a long time, here is little reminder: Q has said dozens of times disinfo is necessary and most of the things Q promises will happen on date x, are false. Q has reminded us so many times that blackhats have tons of eyes watching his every post. However blackhats know what happens behind the scenes and they can't possibly know if one day Q promises something big and then actually delivers. This forces them to react on everything Q promises and thus show all their cards which in return gives Q team more intel on them each time.

>Q+ sacrifices

My take on this is that Goodlatte and Gowdy had enough evidence to take (((them))) down, but chose to delay to allow Q team to take the senate. However, because they are patriots and the Democrats now control the house, if they had stayed on, life would have gotten very difficult for them. Instead, they sacrificed their own careers and the opportunity to serve justice with their own hands to allow the plan to play out.

9. This makes sense now. We know Huber reports directly to Sessions which would potentially taint the unsealing of the indictments. Dems would scream about political vendetta. It was not wrong to trust Sessions at all.

10. God bless AG Sessions. How soon everyone forgot the 10K+ human traffickers arrested under his watch & all the other investigations like HRC emails, Clinton Foundation, U1, etc that have been
