Nothing can stop what is coming.
Nothing.

This election was not about fixing the economy, trade, borders, military, protecting our children etc. all so another corrupt politician or 'insider' can simply undo it **[band-aid]**. This was not simply another 4-year election, but, a crossroads in the history of our civilization that will determine whether or not, WE, THE PEOPLE, reclaim control over our gov't.

3. RR sent secret memo to Mueller expanding authority/scope of Special Counsel investigation. It appears Whitaker removed certain items that RR added in version 2. SC scope back to original mandate. Whitaker has Mueller on a leash.

re: expanded scope v2?
Was the scope narrowed to the original mandate assigned?

4. Here's the "secret memo" RR sent to Mueller expanding the scope of the SC investigation. Guessing whatever was in the redacted portions are no longer in play based on Q's last drop (#3 this thread).

5. NYT's Haberman sending coded msg (under guise of overhearing something on "Q train" intercom)? Signaling need for emergency comms with 3 FBI (Comey, McCabe, Strzok?) & 1 DOJ (Yates?)?

She's on list as having colluded w/DNC/HRC.

Replying to @realDonaldTrump
The Clinton campaign office, wrong or rightly, saw Maggie Haberman as their pet, as this internal email, published by @WikiLeaks makes clear:

Who:
For something like this, especially in the absence of us teasing things out to others, we feel that it's important to go with what is safe and what has worked in the past, and to a publication that will reach industry people for recruitment purposes.
We have has a very good relationship with Maggie Haberman of Politico over the last year. We have had her tee up stories for us before and have never been disappointed. While we should have a larger conversation in the near future about a broader strategy for reengaging the beat press that covers HRC, for this we think we can achieve our objective and do the most shaping by going to Maggie.

6. Wondering, since Huber investigation start (Nov 17) was mentioned in Q drop 1515 (which lists reporters who colluded w/DNC &/or HRC campaign), if tonight's news re: Huber's 5 Dec testimony is what triggered Haberman's odd tweet (#5 this thread).

Democrats Plan to Investigate Ivanka Trump's Use of Private Email Account

President Trump defended his daughter, saying there was no comparison to Hillary Clinton's email practices and dismissing the issue as "fake news."

The encounter was one of the most blatant examples yet of how President Trump views the typically independent Justice Department as a tool to be wielded against his political enemies.
