Sadly, it looks like Mexico's Police and Military are unable to stop the Caravan heading to the Southern Border of the United States. Criminals and unknown Middle Easterners are mixed in. I have alerted Border Patrol and Military that this is a National Emergency. Must change laws!

IN RE: LETTER REQUEST OF THE DAILY CALLER NEWS FOUNDATION TO UNSEAL SEARCH WARRANT OF A PREMISES LOCATED IN UNION BRIDGE, MD

MISC. NO. 18-312-SAG

RESPONSE IN OPPOSITION TO LETTER REQUEST TO UNSEAL SEARCH WARRANT AND SUPPORTING MATERIALS

The United States of America, by and through its representative, the U.S. Attorney's Office for the District of Maryland, submits this response to a letter filed in the above-captioned matter by the website, *The Daily Caller*, requesting that the Court unseal search warrant materials in an ongoing criminal investigation. The request should be denied. Public disclosure of any search warrant materials would seriously jeopardize the integrity of the ongoing investigation. Continued sealing is essential in order to guard against possible tampering of witnesses and destruction of evidence, to maintain the ability of the grand jury to investigate this matter, and to prevent the disclosure of sensitive investigative techniques and methods.

These warrant materials reveal investigative sources, factual assumptions, and legal theories, as well as evidence that has been gathered, including through sensitive investigative methods. Facts set forth in these warrant materials reveal what has been searched and indicate what has not yet been searched. Making this type of information public while this investigation is ongoing could harm the government's ability to find additional relevant evidence. Moreover, where, as here, the facts set forth in the warrant are interwoven with sensitive investigative information, the possibility of a line-by-line redaction is not practicable. As set forth below, the Fourth Circuit has routinely held that in an ongoing investigation, these government interests

Wow what a show!

President Trump on Tuesday engaged in an extraordinary argument with Democratic congressional leaders over his demand for border-wall funding, threatening a government shutdown if he does not get the money.

"I will be the one to shut it down," he told House Minority Leader Nancy Pelosi (D-Calif.) and Senate Minority Leader Charles Schumer (D-N.Y.) at the White House.

During the contentious meeting in the Oval Office, Pelosi (D-Calif.) repeatedly asked Trump not to discuss the funding request in front of the news media.

"You will not win," Pelosi told Trump.

The meeting was scheduled to be closed to the press but the White House unexpectedly opened it to reporters just as Pelosi and Schumer were arriving at the White House.

The exchanged heightened the sense of drama surrounding government-funding stalemate between Trump and Democrats.
