New Q: Last drop was 13 Jan. March for Life was 18 Jan. Fake news smears of Covington Catholic teens 19 Jan. Dems know Roe v Wade in jeopardy w/more conservative SCOTUS esp w/RGB future in question. NY signed abortion law allowing full-term abortions. VA & others doing the same.

[D] Party Con:
When you can't raise money 'organically' through party (individual) donations (voter base) YOU STEAL IT from the American taxpayer and give it back to yourself in the form of campaign contributions.

[Example 1]

Planned Parenthood

<https://www.gao.gov/products/GAO-18-204R>

\$1.5 billion provided in taxpayer funding over 3-year period.

[Case 1]

PP spent \$30 million [disclosed - real estimates close to \$65 million] in taxpayer subsidies to influence the outcome of the 2018 midterm elections.

[Conclusion]

Should it be legal for a taxpayer [D+R+I] funded organization to donate massive amounts of money to the D party in an effort to sway an election?

2. Posting the 13 Jan drop & tweet referenced in previous drop (this thread) with [PP] focus. No doubt, Dems likely took this drop as a threat to exposing their corrupt money laundering op. Huber quietly gathering evidence & racking up indictments.

Planned Parenthood spent \$30 million to help the Democrats win back the house

Yet we still give them \$500 million in taxpayer funding each year

If they have that kind of cash and engage in that blatant partisan activity, why am I forced to fund them with my money?

3. Not sure why this photo was posted. Guessing some kind of op underway. Photo has been used in several past news reports, mostly related to strikes against ISIS in Syria.
