By Catherine Herridge | Fox News

Eric Shawn: Rosenstein, a 'wire' and the 25th Amendment

Former top FBI lawyer James Baker, in closed-door testimony to Congress, detailed alleged discussions among senior officials at the Justice Department about invoking the 25th Amendment to remove President Trump from office, claiming he was told Deputy Attorney General Rod Rosenstein said two Trump Cabinet officials were "ready to support" such an effort.

Former top FBI lawyer: 2 Trump cabinet officials were 'ready to support' 25th Amendment effort

Former top FBI lawyer James Baker, in closed-door testimony to Congress, detailed alleged discussions among senior officials at the Justice Department about invoking the 25th Amendment to remove President Trump from office, claiming he was told Deputy Attorney General Rod Rosenstein said **two Trump Cabinet officials were "ready to support" such an effort.**

During his testimony, Baker acknowledged he was not directly involved in the May 2017 discussions but testified over a two-day period in October that McCabe and Page came to him contemporaneously after meeting with Rosenstein for input in the days after Comey was fired by the president.

Numerous provisions purport, in certain circumstances, to condition the authority of officers to spend or reallocate funds on the approval of congressional committees (Division B, sections 702, 706, and 716(a), (b); Division E, sections 403 and 409; Division G, sections 188, 405, and 406). These are impermissible forms of congressional aggrandizement in the execution of the laws other than by the enactment of statutes. My Administration will make appropriate efforts to notify the relevant committees before taking the specified actions and will accord the recommendations of such committees all appropriate and serious consideration, but it will not treat spending decisions as dependent on the approval of congressional committees.

These phrases below imply that Trump plans on following his constitutional rights no matter what he signed in the "Consolidated Appropriations Act, 2019" (the "Act"), which authorizes appropriations to fund the operation of a number of agencies in the Federal Government through September 30, 2019.

"My Administration will treat each of these provisions consistent with the President's constitutional authorities with respect to foreign relations."

And

"my Administration will continue the practice of treating provisions like these as advisory and non-binding."

And

"My Administration will make appropriate efforts to notify the relevant committees before taking the specified actions and will accord the recommendations of such committees all appropriate and serious consideration, but it will not treat spending decisions as dependent on the approval of congressional committees."

ABOUT

Jurisdiction

In addition to its critical role in providing oversight of the Department of Justice and the agencies under the Department's jurisdiction, including the Federal Bureau of Investigation, and the Department of Homeland Security, the Judiciary Committee plays an important role in the consideration of nominations and pending legislation.

Executive nominations for positions in the Department of Justice, Office of National Drug Control Policy, the United States Parole Commission, the United States Sentencing Commission, and the State Justice Institute, as well as select nominations for the Department of Homeland Security and the Department of Commerce are referred to the Senate Judiciary Committee.

Former acting Attorney General Matthew Whitaker will remain at the Justice Department despite William Barr's being sworn in to lead the department.

Whitaker, who served as chief of staff to then-Attorney General Jeff Sessions until President Donald Trump tapped him for the acting role in November, is now a senior counselor in the associate attorney general's office, a department spokesperson said Friday.

President Trump

PKR had the radio. PKR had TV. Trump has Twitter. The President rode to the office of the presidency on a 1st character airplane (now 28) and has since turned it into the ultimate presidential hilly pulpit. In the past, he engaged not individuals as "real" and "honest", in addition to a barrage of personalized attacks, most recently, he called Congressman Maxine Waters "an extraordinarily low IQ person." Sometimes, these tweets also indicate his own administration, such as when he announced a transgender military ban before the policy was implemented. And although Trump's unorthodox choice of communication may generate headlines and generate his base, it has also raised concerns among national security officials. That could be why a majority of respondents to an Economist/YouGov poll said Trump's Twitter style is inappropriate. In November, one former national security official working for Trump appeared to be so fed up by Trump's online presence that he suspended the President's account on his last day of work, though he now serves the 15 minute period where people couldn't access @realDonaldTrump's Twitter feed was a "mistake." —@billy_housley

YOU HAD A HUNCH THE NEWS SYSTEM WAS RIGGED AND YOU COULDN'T PUT YOUR FINGER ON IT, HUH? THIS MIGHT SOLVE THE PUZZLE.....

ABC News executive producer Ian Cameron is married to Susan Rice, National Security Adviser.	
CBS President David Rhodes is the brother of Ben Rhodes, Obama's Deputy National Security Adviser for Strategic Communications.	
ABC News correspondent Claire Shipman is married to former Whitehouse Press Secretary Jay Carney	
ABC News and Univision reporter Matthew Jaffe is married to Katie Hogan, Obama's Deputy Press Secretary	
ABC President Ben Sherwood is the brother of Obama's Special Adviser Elizabeth Sherwood	
CNN President Virginia Moseley is married to former Hillary Clinton's Deputy Secretary Tom Nides.	

And now you know why it is no surprise the media is in Obama's pocket. Think there might be a little bias in the news? This may also explain the cover up of Hillary's private server and emails, Benghazi, Obamacare's soaring costs, \$20 trillion U.S. debt, etc., etc., etc. Isn't it interesting that every place you look in Obama's administration people fill positions because of who they know, not what they know or how competent they are? Last October, an anonymous user, known simply as Q, started posting cryptic messages on the controversial message board at 4chan—the common theme being that President Trump is a secret genius and his opponents, namely Hillary Clinton and Barack Obama, are evil. Q reportedly claimed to be getting this information directly from the government, thanks to top-secret, "Q-type" security clearance. There has been little if any hard evidence to support Q's claims. But over time, thousands of people started to believe them—or at least, to acknowledge they might be real. And they became the foundation of a wide-ranging conspiracy theory, known as Qanon, that has been covered by the New York Times and New York Magazine, among others, and discussed in more than 130,000 videos on YouTube. One of its most prominent followers, Ransanne Barr, who tweeted several references to Qanon before being fired from her Fox TV show in May. —Melissa Chan

Influential POTUS.PNG

President Trump

After Trump's 11th hour... POTUS had the radio. POTUS had TV. Trump has Twitter. The President rode to the office of the presidency on a 140-character airplane (now 280) and has since turned it into the ultimate presidential bully pulpit. In the past, he singled out individuals as "weak" and "insecure," in addition to a barrage of personalized insults, most recently, he called Congressman Maxine Waters "an extraordinarily low IQ person." Sometimes, those tweets also undermine his own administration, such as when he announced a immigration policy he had before the policy was implemented. And although Trump's unorthodox stream of consciousness may generate headlines and generate his base, it has also raised concerns among national security officials. This could be why a majority of respondents to an anonymous Twitter poll said Trump's Twitter style is inappropriate. In November, one former contact employee working for Twitter appeared to be so fed up by Trump's online presence that he suspended the President's account on his last day of work, though he now asserts the 11-minute period where people couldn't access @realDonaldTrump's Twitter feed was a "technical" - @lily_hussle

27. Missed a couple; Q has been on a roll all day! Q shared 31 Oct 2017 drop re: how & why Dems need to maintain control over black population. They are waking up in droves thanks to POTUS & Q info op. Looking forward to exposure of black leaders who have been shilling for Dems.

Q BiteCrumbs 20171101 black pop.png

Why do D's want to control the black pop?
Why do they intentionally keep poor and in need?
Why do D's project racism on a daily basis against R's?
Why do black elected officials do the crazy talk on behalf of D's?
How do D's cover the historical facts of forming the confederacy, KKK, and oppose all things pro black re: legislation?
What happens if D's lose the slave grip on the black pop?
Why do D's, through the funding of the CIA, prop up and install Hollywood/media assets?
Does this fall within Operation Mockingbird?
What were the historical advantages D's gained by having MSM and famous people peddling narrative?
Who exposed the pedo network within H wood?
You can't answer the above but will laugh once disclose details. The network which controls this false narrative which in turns keeps the black pop under control is being dismantled. False local and national black leaders will be exposed next as shills for the D party. Follow the money. Maxine W has a \$4mm home and cash assets in excess of \$6mm. How is that possible? One example. All of these questions help to paint the full picture.

30. Wow! AG Barr has some GREAT questions for Mueller & RR. Mueller's answers NOT satisfactory. Used unverified dossier for FISA. Not sure where this transcript came fm but this is HUGE! Mueller tells Barr "no links or ties to any foreign entity, etc." Will Barr shut it down?

Barr to Mueller:

"Bob, show me the evidence and reasoning for why this investigation was started and still ongoing."

Mueller to Barr:

"With regards to the President we have found no links or ties to any foreign entity etc"

Barr to Mueller:

"Mandate was clear - verify and investigate reports of possible foreign collusion between President & Russia."

"What justification existed to effectively launch a massive domestic / foreign surv campaign against the President (pres elect / president) and members of his transition / campaign team?"

Mueller to Barr:

"Steele dossier along w/ media corroboration of those findings."

Barr to Mueller:

"Was the Steele report a 'trusted and verified' report per Intel to continue especially considering the funding party was the opposition party?"

Mueller to Barr:

"Those facts were never taken into consideration."

"FISC granted auth to conduct based on conclusions presented."

Barr to Mueller:

"Was FISC made aware of all details surrounding the dossier?"

Mueller to Barr:

"No." "We believe there was urgency placed on the auth given the gravity and timeline of events that those involved negated to populate fully."

<https://pbs.twimg.com/media/DzqEhZlWwAAf5Br.jpg>

Barr to Mueller:

"Why were efforts made to continue investigating the President, interrupt his official capacity in governing, if the only doc presented was unsubstantiated and unverified?" "Why were questions and threat of subpoena communicated to the President if no factual foundation existed?"

"All charges thus far are unrelated to the original mandate - why are you still active and pursuing a crime if no verifiable evidence or evidence through discovery exists?"

Barr to RR:

"What justification did you have to effectively expand the mandate, not report that expansion to Congress, in order to seek a crime outside of R collusion?" "What specific reasoning and/or facts existed to justify the appointment of a SC to begin with per the law?" "Why did you recommend to Sessions that he should recuse?" "Why wasn't the mandate / budget and regular updates provided to Congress upon request?" "Why is everything kept confidential and under inappropriate classification?" "Was the purpose of investigating to find a crime vs investigate evidence of a crime?"
