3. We already know the DS sponsored & funded ISIS. No Name had a big role in that effort. No way in Hell, should we allow this woman, who has likely been programmed (MKUltra?) to carry out a terrorist attack vs Americans, to return to our country.

I have instructed Secretary of State Mike Pompeo, and he fully agrees, not to allow Hoda Muthana back into the Country!

Ask yourself a simple question, should a woman who travels to Syria to support and encourage 'JIHAD' against the 'West' deserve to live.....?

Ask yourself a simpler question, if brainwashed by ISIS terrorists (her husband and other close-proximity fighters), could this same woman be 'tasked' & 'trained' to carry out a TERRORIST ACT upon return?

Why did ISIS launch a social media campaign designed to 'attract' US/UK (and other foreign nationals) to join their cause?

Logical thinking.
