3. Fake news MSM isn't interested in reporting actual news; they are propaganda arm of Dem party. As we saw last year in DOJ's IG report, & drop #1515, reporters colluded w/DNC &/or HRC campaign during 2016 election. Diagram shows they colluded w/DOJ & FBI. DECLAS will show this.

PENTAGON KILLS LIFELOG PROJECT

THE PENTAGON CANCELS its so-called LifeLog project, an ambitious effort to build a database tracking a person's entire existence.

Run by Darpa, the Defense Department's research arm, LifeLog aimed to gather in a single place just about everything an individual says, sees or does: the phone calls made, the TV shows watched, the magazines read, the plane tickets bought, the e-mail sent and received. Out of this seemingly endless ocean of information, computer scientists would plot distinctive routes in the data, mapping relationships, memories, events and experiences.

Check the dates. Pentagon kills LIFELOG project same day Facebook is formed.
