The lawsuit alleged defamation, conspiracy and negligence, and sought not only damages, but also an injunction compelling Twitter to turn over the identities behind numerous accounts he said harassed and defamed him. The lawsuit is separate from Nunes' work on the House Intelligence Committee, where he is now the ranking member.

3. It was patently obvious the NZ [FF] (false flag) was an attempt by [them] to shut down 8chan since the shooter posted re: the attack on 8chan (it was NOT on /qresearch/ board where Q posts). Every time Q posts a countdown, [they] expend their [FF] ammo. Are they running low?

8chan (8ch.net) 
@infinitechan

The 8chan administration is responding to law enforcement regarding the recent incident where many websites were used by a criminal to publicize his crime. We always comply with US law and won't comment further on this incident so as not to disrupt the ongoing investigation.
