The mainstream media seemed to suffer a collective shock Friday evening after the office of Special Counsel Robert Mueller handed its final report of its Russia investigation to the Department of Justice.

Their only defense is to play 'dumb' (shocked & surprised) to avoid 'collusion' claims. Nobody walks away from this.

4. MSM reporters last night looked as morose as they did on election night 2016. They know they're screwed. They were ALL in on the coup attempt vs President Trump. They will feign shock to avoid accusations of collusion. Won't work. As Q said: "Nobody walks away from this."

What would happen if texts originating from a FBI agent to several [internals] discussed the assassination (possibility) of the POTUS or member of his family?
 What if the texts suggest foreign allies were involved?
 Forget the Russia set up [1 of 22].
 This is only the beginning.
 Be careful what you wish f
 AS THE WORLD TURNS.
 Could messages such as those be publicly disclosed?
 What happens to the FBI?
 What happens to the DOJ?
 What happens to special counsel?
 What happens in general?
 Every FBI/DOJ prev case could be challenged.
 Lawless.
 Think logically.
 We haven't started the drops re: human trafficking / sacrifices [yet][worst].
 Those [good] who know cannot sleep.
 Those [good] who know cannot find peace.
 Those [good] who know will not rest until those responsible are held accountable.
 Nobody can possibly imagine the pure evil and corruption out there.
 Those you trust are the most guilty of sin.
 Who are we taught to trust?
 If you are religious, PRAY.
 60% must remain private [at least] - for humanity.

House Intelligence Committee Chairman Devin Nunes said Sunday that the American people will be “shocked” when they see what's in the still-redacted portions of the FBI's applications for surveillance warrants against former Trump campaign adviser Carter Page.

“We are quite confident that once the American people see these 20 pages, at least for those that will get real reporting on this issue, they will be shocked by what's in that FISA application,” Nunes said in an interview with [Fox Business'](#) Maria Bartiromo.

8. Reaction to the realization Mueller's 2-year WITCH HUNT isn't going to result in the impeachment of POTUS Trump, fm Enemedia pundits, to elected reps, to Hollywood, is reminiscent of election night 2016. This meme succinctly captures the mood on the left, typos notwithstanding.
