Think Rogers T-Tower meeting (right after SCIF set up in Tower).
Think POTUS campaign leaving T-Tower (base of operations) THE VERY NEXT DAY.

NSA Mike Rogers discovered the abuse and warned Trump.

Posted by Jjdoc  on 1/21/18 at 2:07 am

That prompted the IC and the DOJ to recommend his removal.

In 2016, Rogers ran an audit and discovered that the DOJ and FBI had been lying to the FISC to get warrants and had done so to watch Trump and his team.

He went to the FISC and told them what he discovered. In fact, he told them about a lot more abuses.

When Trump won, Rogers (without permission and without asking) went to see Trump.

- On Thursday November 17th, 2016, NSA Director Mike Rogers traveled to New York and met with President-Elect Donald Trump.

- On Friday November 18th The Washington Post reported on a recommendation that Mike Rogers be removed from his NSA position:

The heads of the Pentagon and the nation's intelligence community have recommended to President Obama that the director of the National Security Agency, Adm. Michael S. Rogers, be removed.

The recommendation was made by Defense Secretary Ashton B. Carter and Director of National Intelligence James R. Clapper Jr., according to several U.S. officials familiar with the matter.

James Reynolds, who has raised more than \$200,000 for the Obama campaign, is chief executive of Loop Capital Markets, a Chicago investment banking firm that specializes in municipal finance.

He began raising money for Obama more than a decade ago, and opened his Hyde Park home for one of Obama's first fundraisers during the 2004 Senate race, according to Hermene Hartman, a mutual friend.

"Jim and Barack are very close friends and have been for a long time," said Leslie Bond, a Chicago money manager and Obama fundraiser.

In 2003, Loop Capital Markets was seeking municipal bond business in Philadelphia when Reynolds began dealing with lawyer Ronald White, a confidant of then-mayor John Street. The FBI was tapping White's phone.

Municipal finance contracts — fees to lawyers, bankers and accountants who help cities borrow money by floating bonds — are frequently awarded without competitive bidding.

In Philadelphia, many were handed out with political considerations in mind, the wiretaps revealed.

Loop was awarded two no-bid contracts worth nearly \$300,000, according to a later indictment of Philadelphia City Treasurer Corey Kemp.

Reynolds agreed to pay \$30,000 to a shell company controlled by White's paramour, Janice Knight, according to court records. "I'll keep you out of it," Reynolds told White in an April 2003 conversation recorded by the FBI.
