New Q (27 Mar): Let's send prayers to this anon that he/she aces tomorrow's interview! I couldn't agree more with Q. The brilliance shown every single day by anons/autists/researchers is invaluable in the IC!

Wish me luck fags, this anon has an interview with an intelligence agency tomorrow. Very nervous!

Good luck, Patriot.

Autists should consider joining ABCs/Mil Intel programs if interested.

Ability to decipher complex info-strings is a valued asset.

2. For those who don't know, "ABCs" referenced in last drop (see 1st tweet, this thread), is for all the "Alphabet" Intel Agencies (e.g., NSA, DIA, NSA, NRO, CIA, DNI, etc).

Q-Digging on MAGA Coalition shows obvious fraud. Also those associated are non-stop attacking and obviously coordinated. Why would a PAC attack us? This in itself shows its FAKE. This PAC also engages known shills/frauds. Do we still dig? Many reported to the IRS.

Some organizations do not have good intentions. Due diligence required. We highlighted this particular organization as one example. Magacoalition.com

Follow the money.

Track donations vs. expenses.

Admin, fundraising, strategy & research, etc etc expenses highly inflated?

Monthly installment payments made to 'names' who can attract 'more donations'? (the "wheel")

How much 'donated' money was actually spent promoting MAGA / PRO_MAGA candidates (indirectly) vs. internal costs or 'wheel' costs?

<https://pbs.twimg.com/media/D2sfGQWXgAEgQ3U.jpg>

><https://www.irs.gov/individuals/how-do-you-report-suspected-tax-fraud-activity>

When you offer 'better' goods and services for free there is no longer a need to 'donate' 'purchase' and/or 'follow' those who would use such platforms to enrich themselves. (hence the 'attacks')

Logical thinking always wins.

Attempts to 'divide' the movement draws LIGHT to their TRUE INTENTIONS.

This is about the survival of our Nation (our World) – not funding scams.

This land is your land, this land is my land
 From the California to the New York island
 From the Redwood Forest, to the gulf stream waters
 This land was made for you and me
 As I went walking that ribbon of highway
 I saw above me that endless skyway
 And saw below me that golden valley
 This land was made for you and me

I roamed and rambled and I followed my footsteps
 To the sparkling sands of her diamond deserts
 And all around me , a voice was sounding
 This land was made for you and me

When the sun comes shining, then I was strolling
 In the wheat fields waving and dust clouds rolling
 The voice was chanting as the fog was lifting
 This land was made for you and me

This land is your land and this land is my land
 From the California to the New York island
 From the Redwood Forest, to the gulf stream waters
 This land was made for you and me

When the sun comes shining, then I was strolling
 In wheat fields waving and dust clouds rolling
 The voice come chanting as the fog was lifting
 This land was made for you and me

3. HUGE Q confirmation! Many noticed "Q74" on 1 of the fire trucks holding Old Glory at Andrew's AFB for return of the 3 American hostages from NK. Q post #74 was a big one w/ref to FREEDOM. Flag pic w/Castle LOCK was next post believed to mean WH secured. File name: "Freedom".

Image search for 'fire truck / engine'. Letter common in front of #? Post 74. Coincidence? U.S. Flag [post] Castle LOCK - pointed ref? Comms understood?

Trump told anchor Sean Hannity that his lawyers previously had advised him not to take that dramatic step out of fear that it could be considered obstruction of justice.

"I do, I have plans to declassify and release. I have plans to absolutely release," Trump said. "I have some very talented people working for me, lawyers, and they really didn't want me to do it early on. ... A lot of people wanted me to do it a long time ago. I'm glad I didn't do it. We got a great result without having to do it, but we will. One of the reasons that my lawyers didn't want me to do it, is they said, if I do it, they'll call it a form of obstruction."

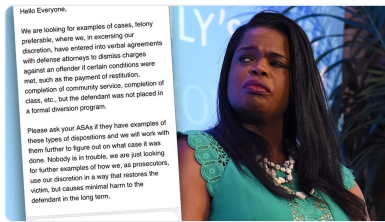

Trump added: "Frankly, thought it would be better if we held it to the end. But at the right time, we will be absolutely releasing."

Trump also accused FBI officials of committing "treason" -- slamming former FBI Director James Comey as a "terrible guy," former CIA Director John Brennan as potentially mentally ill, and Democrat House Intelligence Committee Chairman Adam Schiff as a criminal.
