New Q (29 Mar): DNC dictates narrative to MSM.

"I realized that [@DafnaLinzer](https://twitter.com/DafnaLinzer), the head of all political coverage for NBC News and MSNBC wasn't calling to advocate for her network, she was calling to advocate the DNC's position."

1. Yesterday, I received a call from @DafnaLinzer who serves as managing editor of NBC/MSNBC politics. Dafna's conduct during the call was highly inappropriate and unethical. So what was the purpose of her call?

She called me to bully me on behalf of the DNC.

Subject: Great seeing you guys!

It was great to see you both this weekend. Thanks for hosting me for the dinner, I appreciated the opportunity but was especially glad to catch up with your teams in the pre-reception. As I mentioned, the Chair will be in New York tomorrow, and we wanted to see about having her meet with Phil to touch base including on the town hall. We also wanted to see whether Mika was either free to join or maybe meet with the Chair before or after. Let me know if we can make that work. 10am is ideal, if possible.

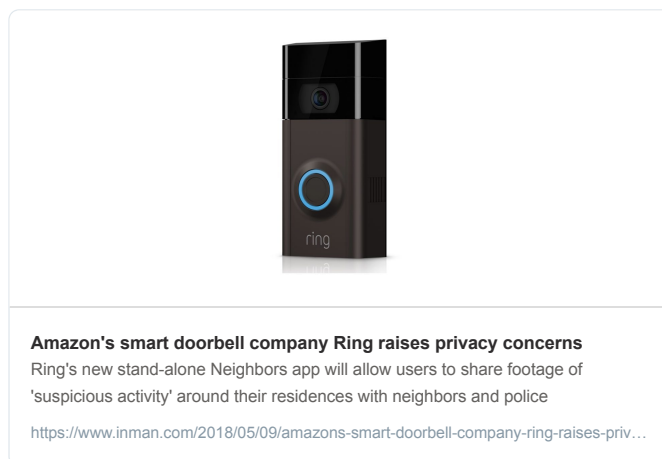

Hope you both had the chance to get some rest after the hectic weekend! - Luis.

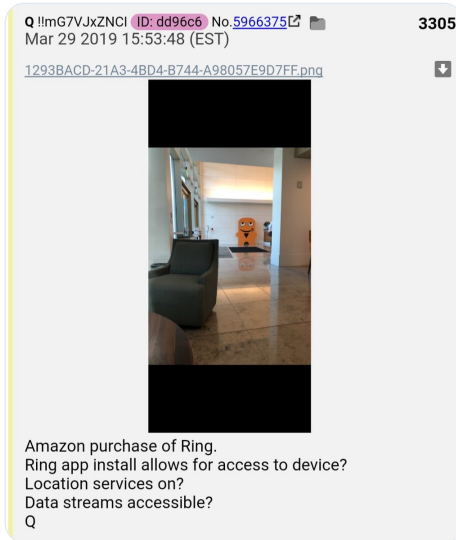

2. Here's a follow-up email from former DNC Comms Dir, Luis Miranda, to Linzer re: email she sent to Chuck Todd with talking points for The Morning Joe team 17 days after the last email (see prev tweet, this thread).

3. Pic inside an Amazon Lab126 R&D bldg. Amazon bought Ring last Feb. Ring app integrates w/Alexa (which eavesdrops on us). Ring allows users to see, hear, speak to someone at your door remotely. You can bet [they] can also remotely access/intercept video.

4. Anon posts msg to MSM re: shill attacks on 8chan, posting garbage intended to paint 8chan as forum for crazy, hateful, violent racists. Shills/fake MAGAs taking Q drops out of context, twisting meaning to attack patriots. MSM posts neg content, screenshots & writes hit pieces.

### ATTN PRESS / MSM

When you see something that's outrageous: before latching onto it you must first understand this is open to anyone. Posts are made to try and attribute the most outlandish and unrelated things to our work ... intended to support the narrative that we are loons and discourage others from joining us. Use this tool to help spot this deception:  
<http://qresearch.ch> and type the exact text of a given subject and you will see it posted thousands of times. We aren't idiots and don't repeat a topic 24x7.

They don't contribute to any active discussion, regardless of the gravity of the news. They also have much higher post counts, usually over 15. This is viewed as disrespectful to other anons, as there are limits on each thread to the number of replies. Thus these ruses are easy to spot.

The most common are hateful towards a given group or what we call "slides" where it's intended to distract from major news. These are entirely planted, and users are paid to do so. This board is not much different from any comment section on a site, and yes they get paid to "shape" opinion there too. The notion we can prevent something like this, when anyone can post anonymously, is a huge leap. We are busy with current events and research and filter them or ignore it. This isn't one of your safe spaces, so if you can't discern the difference, you shouldn't be here.

yes, agree.

See the posts made here in the context of ALL Q DROPS made.  
This makes shills visible.

(shills attacking this post are butthurt much, very effective post, anon!)

Attacks increasing?  
Context of drops mislabeled and used?  
Select orgs/journalists dropping controversial info as attempt to label as whole, screenshooting, then writing articles on drops they themselves wrote?  
Highlight of corrupt PAC = deflect by PAC = point to former members as method to shield?  
We are being bombarded for a reason.  
Look for keywords to be repeated by many (controller & coordinated roll out).  
FAKE NEWS IN FULL PANIC.  
(less than 10).

5. Q stated some orgs don't have good intentions & ID'd MAGA Coalition as one. They deflect by pointing to former mbrs (Gorka?) to validate legitimacy/debunk Q. Don Jr. > Gorka loyal to POTUS. 'Less than 10' on Q team (3 non-military). Gorka denounces Q > plausible deniability?

When they can't attack the information provided, they attack the messenger.  
Define 'deflection'.  
Logical thinking.

Donald Trump Jr.   
@DonaldJTrumpJr

Had a great time on America First with @SebGorka this week.

There are few people who have been more loyal to my father, his America First agenda and the entire Trump family as a whole than Seb.

Trust me, he is #MAGA to the core!!! - America First!

Some organizations do not have good intentions. Due diligence required. We highlighted this particular organization as one example. Magacoalition.com

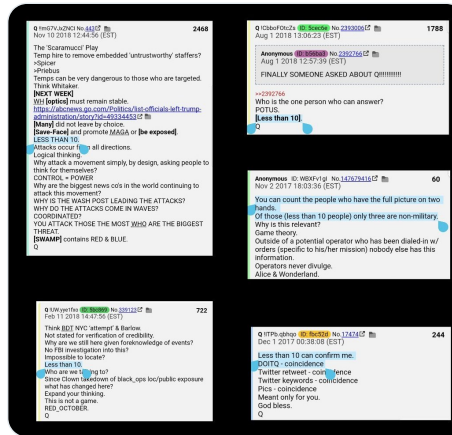

<https://www.opensecrets.org/pacs/lookup.php?cycle=2018&strID=C00654343>

<http://docquery.fec.gov/cgi-bin/forms/C00654343/1205696/>

<http://docquery.fec.gov/cgi-bin/fecimg/?C00654343>

Follow the money. Track donations vs. expenses. Admin, fundraising, strategy & research, etc etc expenses highly inflated? Monthly installment payments made to 'names' who can attract 'more donations'? (the "wheel") How much 'donated' money was actually spent promoting MAGA / PRO\_MAGA candidates (indirectly) vs. internal costs or 'wheel' costs? ><https://www.irs.gov/individuals/how-do-you-report-suspected-tax-fraud-activity>

When you offer 'better' goods and services for free there is no longer a need to 'donate' 'purchase' and/or 'follow' those who would use such platforms to enrich themselves. (hence the 'attacks') Logical thinking always wins. Attempts to 'divide' the movement draws LIGHT to their TRUE INTENTIONS. This is about the survival of our Nation (our World) – not funding scams. End\_of\_Topic Keep your eye on the ball. Q

6. Last night, USSS lifted ban of Q signs/attire. 1st time since 31 Jul '18 Tampa rally after which [they] phoned in threats fm fake Q supporter forcing ban & minimizing publicity for Q. Threats stopped. They were caught off guard/baited into tweeting/writing about Q. More 🧐 on.

Why did we highlight the rally last night by showcasing volume of support?  
Define 'Bait'.  
How many FAKE NEWS Twitter journalists are tweeting about 'Q' today re: rally attendance last night?  
These people are stupid.

7. Q/truth movement is a threat to MSM controlled narrative & fake MAGA controlled opposition. [They] are losing the info war as evidenced by worldwide growth of the movement. Q poses questions that lead us to open-source info which we research/share, bypassing the fake news MSM.

Threat to Controlled Narrative.  
Other than POTUS, can you name a group more attacked than 'Q' by the FAKE NEWS media.  
Multiple tactics deployed including framing for crimes (think bridge, mob boss, etc etc).  
DESPERATION.  
Reconcile using logic.  
THINK FOR YOURSELF.  
DIVIDERS will FAIL.
