New Q (8 Jul 19): Epstein's arrest/indictment = major marker. He has a lot of dirt on a lot of powerful people in DC, MSM, Hollywood, corporations, & foreign govts. The Horowitz (H) rpt will trigger subsequent release of Comey rpt - "C", DECLAS - "D", & investigations "I".

Q !!mG7VJxZNCI ID: 72efc4 No. 6954422  **3353**
Jul 8 2019 16:58:56 (EST) **NEW**

What happens when those who held positions of POWER (& INFLUENCE) no longer pull the strings?
What happens when 'BLACKMAIL' no longer works?
Do you become a LIABILITY?
(H)> C, D, I
Q

2. Mueller presser meant to stall Horowitz/IG rpt. IG rpt + Comey rpt = DECLAS followed by investigations. DECLAS = masses waking up to crimes of WH, ABC orgs, State Dept & FVEY. Those no longer threatened w/blackmail = more coming fwd at 11th hour to testify. Hunters now hunted.

Just because the 'public' is unaware of something, does not mean 'nothing' is happening.

MUELLER hearing a tactic meant to delay (H) report?

(H) report release necessary prior to [C]omey release?

(H) + [C] = D

D = the start of the mass awakening (WH, ABCs, State, Foreign,)

Post D comes many I's.

When BLACKMAIL no longer holds due to LOSS OF SENIOR LEVEL KEY GOV POSITIONS AND 11th HOUR

TESTIMONY.....those previously protected become prey.

HUNTERS BECOME THE HUNTED.

GOD WINS.

Q

3. Correction to last two drops: "I" likely = "Indictments", not "Investigations".

4. So glad to see this. It's been too quiet, but we know they have been working hard behind the scenes. We are so ready to see some JUSTICE!

An anonymous forum user recently posted new photos of Jeffrey Epstein's infamous island Pele Island. The island features a temple atop a small mountain and has been the location of several underage sex parties arranged by Epstein and attended by several of the world's elite including ex-president Bill Clinton, his wife Hillary Clinton, Hollywood stars and even members of the world's royal families.

Coleman told us that he kept regularly took notes in a journal. Coleman's notes from October 4 contained the following entry:

We asked Coleman about these notes and he told us that, given their placement in his notebook, the notes would most likely represent information he was briefed on first thing in the morning by his subordinates in the Criminal Investigative Division. Coleman stated that he may have passed this information to other FBI executives after the morning briefing with the Director, but he could not remember if that occurred here.

- Trump hitched a ride from Daytona Beach to NYC with Epstein's son, once.
- Upon learning that Epstein had assaulted the 14-year-old daughter of an employee, Trump kicked Epstein out of his Mara Lago golf club and banned him for life.
- At Epstein's first arrest, Trump voluntarily went to the police to give a statement; the police commented that "Trump could not have been more forthcoming."

Trust Sessions.png

By J.R. Dunn

Back in 2011, the indomitable Peter Schweizer published *Throw Them All Out*, a detailed examination of political corruption as it is actually practiced in the halls of Congress.

In his investigation, Schweizer found one single member of Congress against whom no allegations could be held – who had never taken a dime that was not his, had never cut any backroom deals, had never, simply put, played the game.

That individual was Jeff Sessions.

That fact is all you need to know to understand why Donald Trump selected Sessions for the Department of Justice, and why Sessions has followed the course he has in taking on the "Russia collusion" coup effort.

Sessions is the quintessential Eagle Scout. He will follow the rules down to the last subclause and will not make his move until every "I" has been crossed and every "T" dotted.

We saw the first results of this approach last Friday – in dealing with Andrew McCabe, this century's prime example of a "cookie full of arsenic."

Sessions waited until the FBI's Office of Professional Responsibility (which is run by Assistant Director Candice Will, who was appointed by Robert Mueller, of all people) recommended that McCabe be fired. He then had McCabe officially informed beforehand, following established procedure to the letter.

This comes under the rubric of "strategy," a concept unfortunately foreign to too many active conservatives. A large number of cons recognize only one course of action: a headlong charge against the closest target while howling at the top of their lungs. Not only do they dismiss any more subtle form of action, but they often attack those engaging in it of cowardice or corruption, or of being an "Altinskyite-Obamaist commie stooge" – despite the fact that their kamikaze runs usually end up heading over the nearest cliff.

So it was with Sessions, who has been routinely dismissed as "paid off," being "asleep under his desk," or as "part of the swamp."

When will the 1st alarm ring?
If the Senate was the primary target (majority control)...

Ongoing investigations.....
"There are a lot of sealed indictments" - SC

Why is Joe Biden so warm toward China?

Last week, Biden raised eyebrows when he **shrugged off concerns** over the China threat. "Come on, man," Biden said. "I mean, you know, they're not bad folks, folks. But guess what, they're not competition for us."
