Reality is hard to swallow.
FAKE NEWS keeps you asleep (sheep) and fixed in a pre_designed false reality (narrative).
Google altering search results to 'support' the pre_designed narrative and 'prevent' (make harder) for one to learn the TRUTH?

Do you know the market price for a fetus?
Correlation of market price & days old of fetus/baby?

In one example cited by the Senate [report](#), a firm's own records show it paid \$60 for an aborted fetus from a Planned Parenthood clinic, then transferred the various parts for \$2,275 - including the brain for \$325, two eyes for \$650, and a part of a liver for \$325. The firm also charged additional fees for shipping and disease screening, the report said.

WASHINGTON — In the summer of 2016, Russian intelligence agents secretly planted a fake report claiming that Democratic National Committee staffer Seth Rich was gunned down by a squad of assassins working for Hillary Clinton, giving rise to a notorious conspiracy theory that captivated conservative activists and was later promoted from inside President Trump's White House, a Yahoo News investigation has found.

The Mueller Investigation Failed to Provide Evidence That the DNC Was Actually Hacked
theepochtimes.com

But analysis of the files themselves (analysis that team Mueller either never conducted or never discussed) shows otherwise.

What was revealed through forensic analysis of the emails was that they were copied at speeds too high to have been hacked and transmitted over the internet. The metadata indicate that the emails had to have been copied locally—by someone who had *physical* access to the network—to some sort of mobile hard drive or flash drive.

Binney and former CIA and State Department Counter Terrorism officer Larry Johnson wrote in a [report](#) that “the highest transfer rate was 49.1 megabytes per second, which is much faster than possible from a remote online connection. The 49.1 megabytes speed coincides with the download rate for a thumb drive.”

rule of law (new standard of no show vote SC 2019 scope case?)

Why do D's push for NO VOTER ID in U.S. elections?

Why do D's push for OPEN BORDERS?

Find the connection.

Sometimes a MAP helps.

What SC decision (6-3) ruled VOTER ID did NOT suppress votes or deter minorities?

<https://www.reuters.com/article/us-usa-politics-court/supreme-court-upholds-photo-id-voting-law-idUSWAT00940020080428>

What (FALSE) 'narrative' is pushed by D's re: VOTER ID LAW?

Racist?

Voter suppression of minority vote?

When is an ID required?

Should an ID not be required at all (for any reason) given the argument made by D's?

Does the argument 'A NATIONAL VOTER ID LAW would suppress the minority vote' suggest minorities are incapable of obtaining an ID?

When is an ID required?

Which minorities are they referring to?

(illegal immigrants?)

Logical thinking.

If there is a previous SC decision on the matter (pre-POTUS Justice conf), would a NATIONAL VOTER ID LAW

MANDATE using the SC ruling of 2008 (+ common sense

logic/arguments) as the LEGAL FOUNDATION, have merit?

Is every other country that has a VOTER ID LAW considered racist?

<https://www.newsobserver.com/news/politics-government/state-politics/article92593512.html>

Will the DOJ support the push instead of file legal challenges as LL did in the past?

If the SC ruled in 2008 that VOTER ID laws do not impact/harm or prevent 'minorities' from voting, how could the U.S. 4th Circuit Court rule opposite?

Is the 4th Circuit Court considered LEFT/Liberal?

<https://www.newsobserver.com/news/politics-government/article215247000.html>

Why do D's want POWER at all costs?

One example above.

Logical thinking.

Smoke & Mirrors

Fake News Media's attempt to truncate size of movement while 'building up' size of the opposition.
Inauguration Day to current, attempts to diminish and instill a 'you are the minority' mindset (narrative) continues. People want to believe they are part of the bigger group (size equates to accuracy in most minds)(acceptance)(the 'right' side).
One of the primary purposes of POTUS holding a RALLY is to demonstrate the massive appeal, energy, and size of this movement (+ability to correct false reporting and/or highlight achievements, goals, etc.).
(Compare & Contrast) 45-RALLY vs ANY SINGLE ONE of the [Ds].
What is obvious & true?
Why does POTUS mention crowd size at each and every RALLY?

Billion-dollar Co's expending resources to stop a LARP?
Billion-dollar Co's expending resources to attempt to 'shape the mindset (narrative)' to prevent and slow digestion of the masses?
You attack those you fear the most.
Why does the media rush to 'shape' events?
Why are the same 'keywords' always used?

— That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

You are witnessing the greatest 'coordinated' misinformation attack (campaign) ever to be launched against the public – all in an effort to protect themselves from prosecution (public exposure) and regain power (control).
[Attempted removal of the duly elected President of the United States by illegal **[manufactured] means**]
They believed they could win **[con]** public support by controlled assets (media, tech, **H.wood...**).
These controlled assets set out to immediately create division through the use of a pre_designed misinformation campaign.
Groups such as 'Antifa' were funded and formed to prevent and/or lessen the appeal for 'regular' hard working Americans to gather and express non_narrative viewpoints. Control of this 'projected narrative' depends primarily on their ability to 'con' the masses into thinking they are the majority.
The mindset of most: If the majority of people believe 'this', than 'this' must be more true than 'that' **[CIA_CLAS 1-99_56_Human_Psych_& Emotional_Distress_IIED]**.
