New Q (11 Jul '19): As promised yesterday ("[PP] news coming"), looks like the abortion mill will not be getting \$60M in Title X funds.

 [PP] news coming.
 Q

Without reducing Title X funding by a dime, the Protect Life Rule simply draws a bright line between abortion and family planning, stopping abortion businesses like Planned Parenthood from treating Title X as their private slush fund. Similar regulations were upheld by the Supreme Court nearly three decades ago. This is wonderful news, and we are more optimistic than ever that the Trump administration's case will succeed."

Under the new directive, which will take effect in 60 days, organizations receiving Title X funding have 120 days to financially separate their family planning and abortion operations and one year to physically separate their family planning and abortion operations.

The "Protect Life Rule," as that proposal is known, was finalized today. And pro-life groups are delighted by the news.

2. Q agrees with anon who strongly disagrees with BO's (Board Owner) decision to shorten Q Research General "breads" (threads) by eliminating tools & resources from top of each bread as well as notables. BO created separate "Q Research Notables Thread".

I think the war room and links to qproofs and tools are essential components of the bread.
They are up there to help anons and new lurkers to Q research .
It is one post per bread and has vital information for anons and newfags and normies.
It has the links to the sealed court cases, etc.

If you cut that out of the bread you are cutting out the heart of Q research. That war room bread post will be essential to new eyes coming to the boards.

The skills attack bakers all the time and the bread, and they have since the beginning.

As a longtime anon i don't think this is a wise choice. Also captcha did not stop any skills, it just made things more difficult for all of us.
(like when your trying to post something important fast and you get stuck in captcha hell for a minute or 2)

As BO you should discuss these decisions with anons , bakers and BVS before you (one person) decides to change the way the bread has been since November 2017.

I STRONGLY DISAGREE WITH SHORTENING THE BREAD AND KILLING THE WAR ROOM RESEARCH LINKS POST.

The bullshit has gone on long enough, we are changing the standard for Q Research General bakes. Too many groups are trying to control the narrative by gatekeeping the bake. New General Breads will only have the 1st post of the current dough so that Q's posts are always at the top of the bread. If you want a place to post tools and resources bake a new thread and maintain it.

Going forward all anons can submit notable buns for General Breads to this thread.
>>7003045 Q Research Notables Thread.
Only full buns will be accepted and more than one bun per bread is allowed.

Clare Bronfman Pleads Guilty in Nxivm 'Sex Cult' Case, Leaving Leader to Stand Trial Alone

The Seagram's liquor heiress was one of two women who pleaded guilty on Friday in a racketeering case against the cultlike group that branded members.

That deal came about from the combined investment by Matthew Bronfman and the E.L. Rothschild family. Bronfman is a private investor whose family owned the Seagram Company, the former distillery giant that at its peak was the world's largest purveyor of alcoholic beverages. Rothschild is a descendent of the Rothschild family that dominated European banking in the 19th century.
