New Q (21 Jul '19): Comey seems confident Wed's Mueller hearing will help [them]. Regardless of what Mueller does (refrains fm answering or gives misleading answers), Barr will have to DECLAS to set the record straight. Active FISAs on all the traitors.

This week, an American patriot takes center stage: he doesn't want attention; has principles and follows them; and always tells the truth. What an opportunity for young people to be inspired. What a great opportunity for both parties in Congress to follow his example.

If AG Barr has access to all classified material, how does **[MUELLER]** navigate?

If **[MUELLER]** provides FALSE and/or MISLEADING testimony, will AG Barr be forced to DECLAS all documentation to ensure full public awareness of the TRUTH?

If **[MUELLER]** defers to the original report but D's / FAKE NEWS push a false narrative 'knowing majority of the public did not watch the actual hearing' will AG Barr be forced to DECLAS all documentation to ensure full public awareness of the TRUTH?

Thank you for playing.

FISA does both ways

2. MSM desperately trying to pin this story & other FFs on the Q movement to stop it from its continued growth/influence on the public WW. They've spent an inordinate amount of time & money on Q hit pieces because they're losing control of the narrative.

Every single 'dirty' tactic being deployed to stop the growth of this movement.  
Ask yourself a very simple Q - why?  
Why are the biggest media co's in the world.....

Note they claim Comello 1st discovered Q "in the weeks after Mr. Trump's 2016 election". This was a total FF op designed to discredit the Q movement. Too bad for them it won't work.

As an 'anti-vaxxer' I've come to recognize the lingo used by those covering up the truth. When I see the phrase "a baseless conspiracy theory" I read 'We cannot provide evidence for our assertion but we want you believe us anyway. Since we cannot refute (and refuse to investigate) the existence of Q we will try to drive you away with upsetting words like "baseless" and "conspiracy theory". We hope you are a cowed member of the "herd" and will not investigate further for fear of being mocked in public.'

QAnon, a [baseless conspiracy theory](#) that originated on internet message boards, played a key role in Mr. Comello's descent into mental instability, his lawyer said. "Mr. Comello's support for 'QAnon' went beyond mere participation in a radical political organization," Mr. Gottlieb wrote. "It evolved into a delusional obsession."

WTAF. They can't even get their dates right.

Yep! They updated the article to try and paint him as a conspiracy nutcase prior to q, but that it's what sent him over the edge. They can't even keep up with dates, much less their lies. These people are stupid!

MR. COMELLO TOOK HANDCUFFS WITH HIM TO TOUT Hill on March 13, Mr. Gottlieb said, but his plan was foiled when Mr. Cali refused to submit to a citizen's arrest. Instead, Mr. Gottlieb said, the Gambino leader reached toward his waistband. Fearing for his life, Mr. Comello shot Mr. Cali 10 times and fled, Mr. Gottlieb said.
