Fact Sheet on E.O. 12333 Raw SIGINT Availability Procedures

January 12, 2017

On January 3, 2017, the Director of National Intelligence, in coordination with the Secretary of Defense, issued the "Procedures for the Availability or Dissemination of Raw Signals Intelligence Information by the National Security Agency under Section 2.3 of Executive Order 12333" (the "Raw SIGINT Availability Procedures"). The procedures were approved by the Attorney General on January 3, 2017.

17. This was predictable. Different stories fm different sources. Two sources said he tried to hang himself, one said injuries were not serious; that it was Epstein's ploy to get transferred, one said assault by another inmate. Now on suicide watch at MCC.

I'm gonna be honest, I don't believe any of this.

Epstein is not being left without surveillance. Epstein is not given any sort of rope or ability to hang himself. I don't think he's actually in New York.

F. (U) **Review of these Procedures.** The DNI will complete a review of these Procedures and their implementation within five years after they are established. This review will consider the implementation of these Procedures from both the information sharing and the civil liberties and privacy perspectives. The DNI will conduct this review in coordination with the Attorney General and Secretary of Defense and will consider whether any findings from the review warrant amendments to these Procedures.

(U) SECTION X - DEFINITIONS

A. (U) **Agent of a foreign power** means:

1. (U) Any person, other than a U.S. person, who:
 - a. (U) Acts in the United States as an officer or employee of a foreign power, or as a member of a group engaged in international terrorism or activities in preparation therefor, irrespective of whether the person is in the United States;
 - b. (U) Acts for, or on behalf of, a foreign power which engages in clandestine intelligence activities in the United States contrary to the interests of the United States, when the circumstances indicate that such person may engage in such activities, or when such person knowingly aids or abets any person in the conduct of such activities or knowingly conspires with any person to engage in such activities;
 - c. (U) Engages in international terrorism or activities in preparation therefor;
 - d. (U) Engages in the international proliferation of weapons of mass destruction, or activities in preparation therefor; or
 - e. (U) Engages in the international proliferation of weapons of mass destruction, or activities in preparation therefor, for or on behalf of a foreign power, or knowingly aids or abets any person in the conduct of such proliferation or activities in preparation therefor, or knowingly conspires with any person to engage in such proliferation or activities in preparation therefor; or
2. (U) Any person, including a U.S. person, who:

a. (U) **Knowingly** engages in clandestine intelligence gathering activities for, or on behalf of, a foreign power, which activities involve, or may involve, a violation of the criminal statutes of the United States;

17

EO 13526//SI//RR--TO--USA, FVBY

EO 13526//SI//RR--TO--USA, FVBY

- b. (U) Pursuant to the direction of an intelligence service or network of a foreign power, **knowingly** engages in any other clandestine intelligence activities for, or on behalf of, such foreign power, which activities involve or are about to involve a violation of the criminal statutes of the United States;
- c. (U) **Knowingly** engages in sabotage or international terrorism, or activities that are in preparation therefor, for or on behalf of a foreign power;
- d. (U) **Knowingly** enters the United States under a false or fraudulent identity for or on behalf of a foreign power or, while in the United States, **knowingly** assumes a false or fraudulent identity for or on behalf of a foreign power; or
- e. (U) **Knowingly** aids or abets any person in the conduct of activities described in paragraphs a through c or **knowingly** conspires with any person to engage in those activities.

B. (U) **Communicant** means a sender or intended recipient of a communication.

C. (U) **Communications about a U.S. person** are those in which the U.S. person is identified in the communication. A U.S. person is identified when the person's name, unique title, address, or other USPI is revealed in the communication in the context of activities conducted by that person or activities conducted by others and related to that person. A mere reference to a product by brand name or manufacturer's name, e.g., "Boeing 707" is not an identification of a U.S. person.

D. (U) **Communications metadata** means the dialing, routing, addressing, or signaling information associated with a communication, but does not include information concerning the substance, purpose, or meaning of the communication. The two principal subsets of communications metadata are telephony metadata and electronic communications metadata:

1. (U) Telephony "metadata" includes the telephone number of the calling party, the telephone number of the called party, and the date, time, and duration of the call. It does not include the substance, purpose, or meaning of the communication.
2. (U) For electronic communications, "metadata" includes the information appearing on the "to," "from," "cc," and "bcc" lines of a standard e-mail or other electronic communication. For e-mail communications, the "from" line contains the e-mail address of the sender, and the "to," "cc," and "bcc" lines contain the e-mail addresses of the recipients. "Metadata" also means (i) information about the Internet-protocol (IP) address of the computer from which an e-mail or other electronic communication was sent and, depending on the circumstances, the IP address of routers and servers on the Internet that have handled the communication during transmission; (ii) the exchange of an IP address and e-mail
