The 2nd Building is a diesel powerplant with 2 generators. One is actually operating as the left exhaust vent flap was open. The other unit may be for redundancy. I would also speculate that under the front of the powerplant would be a large fuel supply. Ventilation may be associated with other utility applications. There is a Day-Night security camera on the first building observing the North-East direction. Next to the camera was a patch antenna to relay the signal. Mounted on the powerplant wall midway was a commercial-grade outdoor passive infrared movement sensor most likely part of their security network. Rusty has gathered fantastic Intell... but I'm quite sure the law would have gathered plenty as well. Get the popcorn out...

Nice work Rusty! I have been looking for the ventilation for the underground tunnels. It looks like you found it there with that dark grey building showing pipes coming up from below.

6. Dirty bastards! Hussein shadow govt & Dem 2020 candidates (Biden) in secure comms w/China promising to re-instate US piggy bank for China if China helps Dem win WH. They are colluding w/China to meddle in 2020 election. China pressured NK to test missile yesterday. TREASON!

7. Looking forward to watching @seanhannity tonight! Hope POTUS clues us in on how soon we will see DECLAS and hear his thoughts re: Epstein, NK missile launch, China trade talks (based on last drop, bet they will try to stall as long as possible, until 2020 election).

12. "Save the Children from [Orgy Island]" game drop isn't meant to be funny. We know all those monsters who have been there watch Q's drops. Assume [intended] message to [them] is that all names are known. FBI/DOJ interviewed Chandler.

"Cast of Characters" = "actors in a play".

Did the FBI/DOJ interview RC?
When did 'public awareness' go across social media?
[CLAS 1-99]
What age is RC in picture?
Under the age of 18?
[15]
Who posted the picture?
RC?
Who posted 'internal security cam' pics (Temple)(IG)?
Untouchable mindset by all involved?
Blackmail?
Power?
Top-down protection?
Plane + Temple + XYZ pics = witness?
Witness+[CLAS 1-99]?
Why did RC start/form a modeling/talent agency?
Why was RC / Epstein & the [M]-Temple highlighted in the past?
