George Soros' philanthropic work has focused on promoting democracy in eastern Europe.

George Soros: I may invest \$1 billion in Ukraine

By Mark Thompson March 30, 2015: 12:05 PM ET

George Soros has long called for the West to pump billions into Ukraine. Now he says he's ready to walk the talk.

The focus on AntAC — whose youthful street activists famously wore "Ukraine F*ck Corruption" T-shirts — was part of a larger probe by Ukraine's Prosecutor General's Office into whether \$4.4 million in U.S. funds to fight corruption inside the former Soviet republic had been improperly diverted.

The prosecutors soon would learn the resistance they faced was blowing directly from the U.S. Embassy in Kiev, where the Obama administration took the rare step of trying to press the Ukrainian government to back off its investigation of both the U.S. aid and the group.

7. Pelosi's son, Paul at a DC event with mom introducing him. He worked for an energy company called Viscoil which reportedly has ties to Ukraine. Of course the DNC media "fact checkers" all deny ANY Dems' sons work for Ukraine-linked energy companies.

Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God.
