3. We were told to track all suicides & to expect a lot more. Fm prev drop: "How do you remove a liability?" We know how...just as we know Epstein didn't kill himself. Suicide won't save them from the ultimate judgment by God. But then again, many worship Satan, so do they care?

4. I cried the night Hussein was elected. I truly believed the country I served for 20 years was doomed & he was installed for that end. I shake my head when I hear conservative pundits say they believe he loved our country but had a different ideology.

This was during a 9/11 ceremony in 2011, as a honor guard respected our American flag, Michelle turns to Hussein & says: "All this for a damn flag". Look at his expression as he nods in agreement. #Traitors

5. We learned on 15 Aug 2018 [they] used Playstation & Xbox chat to communicate with eachother to avoid being intercepted by NSA (or so they thought). Appears our military intel has intercepted their comms via this Star Wars game.

6. Regarding the question of "Rebellion or Empire", based on AG Barr's speech yesterday, where he described the "Resistance", my guess is these clowns were the Rebellion.

7. Good catch, [@_Daniher](#)! This clown is always tweeting code to fellow Deep State traitors.

8. Wondering if today's drops are intended to let [them], including COME[Y], know military intel is on to their plans at (6 o'clock?) to eliminate a liability as discussed via private Star Wars [invite only] game comms.
