MPs demand Zelensky, Trump investigate suspicion of U.S.-Ukraine corruption involving \$7.4 bln

4 min read

KYIV. Nov 20 (Interfax-Ukraine) – Ukrainian members of parliament have demanded the presidents of Ukraine and the United States, Volodymyr Zelensky and Donald Trump, investigate suspicions of the legalization of \$7.4 billion by the "family" of ex-President Viktor Yanukovich through the American investment fund Franklin Templeton Investments, which they said has ties to the U.S. Democratic Party.

Derkach also announced the amount of money transferred to representatives of the Burisma Group, including Hunter Biden. According to documents, in general, in favor of Hunter Biden, Alexander Kwasniewski, Alan Apter and Devon Archer, Burisma paid about \$16.5 million.

According to Derkach, ex-Prosecutor General Viktor Shokin repeatedly appealed to the NABU Director Artem Sytnyk in the framework of criminal proceedings for Burisma, but constantly received formal responses. The activities of Shokin, according to the MP, irritated then U.S. Vice President Joe Biden during his fifth visit to Kyiv in two years. The visit on December 7-8, 2015, was devoted to solving the issue of Shokin's resignation for the affairs of Zlochevsky and Burisma, he said.

"The subject of pressure was the \$1 billion credit guarantee that the United States should have provided to Ukraine: Biden himself acknowledged the pressure in his speech to the U.S. Foreign Relations Council in January 2018," Derkach said.

2. Not surprised after yesterday's "There is no STEP FIVE" that DS assets [foreign + domestic] are being deployed. Lots of coded msgs being passed via social media. Already seeing more Fox News personalities turning (Paul Ryan on board). Desperate to prevent exposure of truth.

3. Posted this in Sep & am surprised it hasn't been mentioned by anyone during this sham impeachment inquiry.

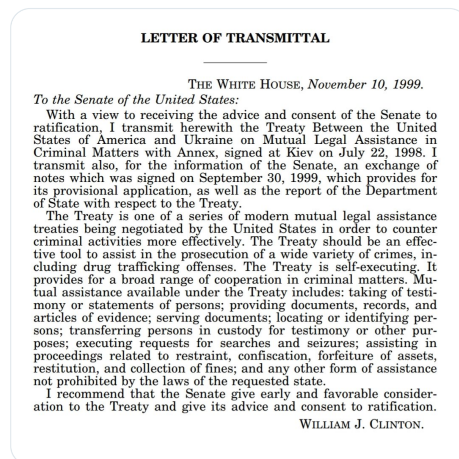

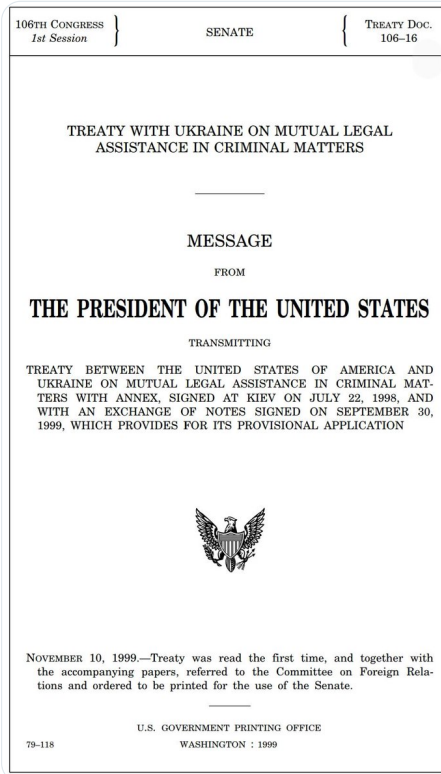

The irony is it was likely signed by Clinton as a COVER for all their corrupt interactions & business dealings w/Ukraine.

4. Unbelievable. I RT'ed their tweet & less than 1 hour later, their account was suspended! It would appear Twitter is helping Bidens cover up their involvement w/corrupt owner of Burisma. This information warfare is heating up. They will lose.

The clock is ticking.
When will the 1st alarm ring?
If the Senate was the primary target (majority control)....
53-47 active when?
EQ (designated_target(s)) active when?
Ongoing investigations....

"It's all going to come out, U1, Dossier, CF, etc...." - SH
