Statement of U.S. Attorney John H. Durham

"I have the utmost respect for the mission of the Office of Inspector General and the comprehensive work that went into the report prepared by Mr. Horowitz and his staff. However, our investigation is not limited to developing information from within component parts of the Justice Department. Our investigation has included developing information from other persons and entities, both in the U.S. and outside of the U.S. Based on the evidence collected to date, and while our investigation is ongoing, last month we advised the Inspector General that we do not agree with some of the report's conclusions as to predication and how the FBI case was opened."

13. This number is the main number to the Clinton Foundation - Clinton Global Initiative. The fact that it rates 4 stars on Charity Navigator show how little that rating can be trusted.

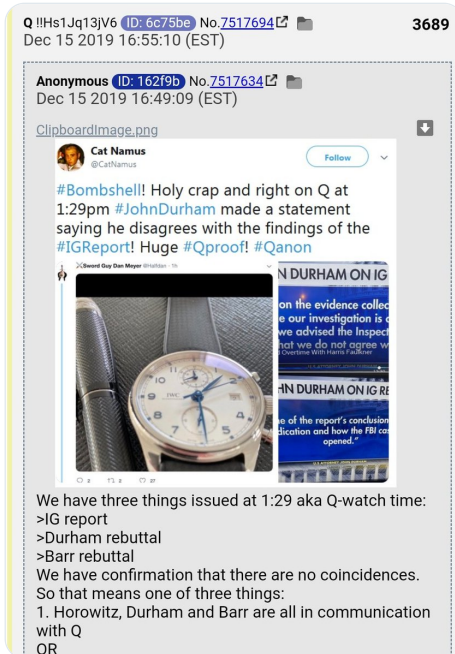

14. Adding this reply to my thread re: Clinton Foundation 4-star rating. Thanks, [@PlanetQAnon!](#)

15. Missed one. Anon lists 3 things that happened at 1:29 on 9 Dec & speculates why. Nat'l security reasons preclude divulging actual times & definitively stating what will happen. Posting watch pics & other clues & letting us discover "coincidences" gives plausible deniability.

2. Horowitz, Durham and Barr were specifically directed by Q+ to issue their reports/rebuttals at precisely 1:29 P.M. ("Why, POTUS?" "You'll find out. Just do it.") OR
3. Some combination of the above.
