Define 'LifeLog' [DARPA]
 'an ontology-based (sub)system that captures, stores, and makes accessible the flow of one person's experience in and interactions with the world in order to support a broad spectrum of associates/assistants and other system capabilities'. The objective of the LifeLog concept was 'to be able to trace the 'threads' of an individual's life in terms of events, states, and relationships', and it has the ability to 'take in all of a subject's experience, from phone numbers dialed and e-mail messages viewed to every breath taken, step made and place gone'.
 Define 'FB'
 The Facebook service can be accessed from devices with Internet connectivity, such as personal computers, tablets and smartphones. After registering, users can create a customized profile revealing information about themselves. Users can post text, photos and multimedia of their own devising and share it with other users as 'friends'. Users can use various embedded apps, and receive notifications of their friends' activities. Users may join common-interest groups.

Did DARPA complete build/code (tax-payer funded) 'LifeLog' program?
 After completion, was there fear the public wouldn't accept the adoption if known it was DoD/C_A backed?
 Do you believe people would join a platform knowing it was under the control of the C_A and FED GOV?
 No.
 How do you lure the masses into entering all their personal info and private messages (i.e. their LIFE LOG) onto a new platform?
 Do you make it cool?
 How did FB 'supposedly' start and launch?

Attorney General William P. Barr issued the following statement:

"Ed is one of the most highly regarded lawyers at the Department of Justice. His dedication and tireless commitment to the work of the Department is second to none. Ed possesses a rare combination of sharp intellect, common sense, and sound judgment – traits that served him well from his time as a prosecutor in the Southern District of New York to his service at the highest levels of the Department, including as Acting Deputy Attorney General. [Re_drop]

What happens when 90% of the media is controlled/owned by (6) corporations?

What happens when those same corporations are operated and controlled by a political ideology?

What happens when the news is no longer free from bias?

What happens when the news is no longer reliable and independent?

What happens when the news is no longer trustworthy?

What happens when the news simply becomes an extension/arm of a political party?

Fact becomes fiction?

Fiction becomes fact?

When does news become propaganda?

Identity creation?

How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?

Majority of people more prone to believe someone in power sitting behind a big brand 'news' name?

Do people [human psyche] tend to follow the 'majority/mainstream viewpoint' in fear of being isolated and/or shunned?

'Mainstream' is used for a reason [dominate trend in opinion].

[If majority of people believe 'x' then 'x' must be validated / true]

Why do 'mainstream' media heads, within different orgs, always use the same keywords and/or catch phrases?

Coordinated? By who? Outside entity providing instructions?

3721

Do they count on the fact that people [human psyche] are more prone to believe something if heard over-and-over again by different 'trusted' sources?

Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed?

Threat to intellectual freedom?

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

Read again - digest.

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

Logical thinking.

Why, after the election of 2016, did [D]'s and media corps jumpstart a [coordinated & planned] divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other 'ism'?

Pre/post 2016 election?

Why were violent [masked] terror orgs such as Antifa immediately created/funded?

Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally[s] and/or events?

Why were marches immediately organized to counter and silence pro-POTUS rally[s] and/or events?

Why were marches immediately organized which divided people into sex/gender, race, [ism]?

When you control the levers of news dissemination, you control the narrative.

Control of the narrative = power

When you are blind, what do you see?
 They want you divided.
 Divided by religion.
 Divided by sex.
 Divided by political affiliation.
 Divided by class.
 When you are divided, and angry, and controlled, you target those 'different' from you, not those responsible [controllers].
 Divided you are weak.
 Divided you pose no threat to their control.
 When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable [livestock kept – sheep].
 When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.
 "Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.
 THIS REPRESENTS A CLEAR AND PRESENT DANGER TO THE CONSTITUTIONAL REPUBLIC OF THE UNITED STATES OF AMERICA.

The Great Awakening ('Freedom of Thought'), was designed and created not only as a backchannel to the public (away from the longstanding 'mind' control of the corrupt & heavily biased media) to endure future events through transparency and regeneration of individual thought (breaking the chains of 'group-think'), but, more importantly, aid in the construction of a vehicle (a 'ship') that provides the scattered ('free thinkers') with a 'starter' new social-networking platform which allows for freedom of thought, expression, and patriotism or national pride (the feeling of love, devotion and sense of attachment to a homeland and alliance with other citizens who share the same sentiment).
