New drop (27 Dec 19): OUR tax dollars have been funding these criminals & traitors through foreign aid, charities, disaster relief, stimulus packages, grants, etc. Can we file a class action lawsuit against each one of them to reclaim OUR money?

Michael Coudrey @MichaelCoudrey

Obama gave Pearson Publishing a government contract worth \$350 million for their work to create the Common Core text for his administrations education initiative.

A subsidiary of that same publisher gave Obama roughly \$65 million for his book deal after he left office.

Imagine what would happen, if, by law, every US Congressman/woman, US Senator, President etc. was by US law audited every 1-2 years by an independent agency. Imagine what would happen if those audits extended to all family members of such 'elected' official? Would D's continue to push for Foreign Aid to other C's vs. the Homeland? What happens when the kickbacks dry up? M. Waters \$4mm House? N. Pelosi net worth \$150mm+? J. Biden son/brother net worth tens of millions? Clinton family \$200mm+ (pre election of B.C. less than \$1mm)? Obama family \$40mm+ (pre election less than \$1mm)? Disguised under book deals?

Those who take are offered more powerful positions within the party (controlled).

 @LisaMei62

The fake news media has written literally over a thousand hit pieces calling "QAnon" a "conspiracy theory" yet not ONE SINGLE reporter has the stones to DIRECTLY ask POTUS about Q. He makes himself available to the press REGULARLY. Bunch of cowards. businessinsider.in/politics/news/...
