Excellent thread. Another key thing Sessions did was purge DOJ & FBI of upper echelon DS traitors who took part in the biggest scandal in American history. Do you think he just fired them because he didn't like them? No. He fired them because of their part in the coup attempt.

To the skeptics...who do you think approves the firing of such senior FBI/DOJ personnel? AG Sessions. That's who.

Memes are important.
Mod attached re: FBI only re: last drop re: FIRED.
If nothing criminal (i.e. treason vs duly elected President) occurred, why then did majority of senior FBI leadership get FIRED/removed?
What do they ALL have in common?
CLINTON CONNECTION.
DOJ later (2) departures imminent).

Why have there been no arrests?
Why have 'specific' dates been mentioned only to see no action?
Define 'game theory'.
Why must disinformation be provided?
Define 'open source'.
Define 'public purview'.
Do we let our enemies walk through the front door?
Define 'plausible deniability'.
Why was it important to FIRST clean house within the FBI & DOJ (public info)?
Why was it important to FIRST clean house within other ABC agencies (non_public info)?
What are the duties of the FBI?
What are the duties of the DOJ?
When does MIL, INTEL have jurisdiction?
What vested powers does POTUS have re: MIL, INTEL vs. ABC agencies re: matters of NAT SEC (HOMELAND)?
Think 'umbrella surv'.
What agency does the FBI report to?
What is the role of the AG?
Does the AG oversee the firing of FBI & DOJ senior/mid/lower staff?
How many FBI & DOJ were FIRED/FORCED?
Does 'Russia' recusal prevent/block AG from this responsibility?
What time period did this occur?
Who appointed and tasked HUBER?
Who appointed and tasked the OIG?
Who was AG?
[zero leaks - none]
Transfer from AG1 to AG2?
Why might that be important?
How do you avoid 'politically motivated/attack - obstruction - attempt to block/obstruct Mueller'?
Optics are important.

But... HUBER has not 'directly' interviewed several witnesses therefore the appointment of HUBER by SESSIONS [and therefore the IG] is not genuine
But... SESSIONS & HUBER are following standard DOJ open/ongoing investigation policy by not discussing [making public] so therefore nothing must be happening [FIRE SESSIONS!]
But... HUBER ability to prosecute + empanel a grand jury outside of D.C. [90%+ voted HRC (2016)], who already began the investigation(s) late last year w/ assigned team of 470 investigators (attorneys) + IG + legal jurisdiction across all 50 states, is not a 'special counsel' so therefore nothing is being done
But... POTUS is attacking SESSIONS via TWITTER so therefore he is not working on behalf of the people's interest (or POTUS') [D's/LEFT LOVE/TRUST SESSIONS!]
But... interestingly, if nothing is being done behind the scenes, why are so many FBI & DOJ senior officials being FIRED and/or REMOVED from their respective positions of power? Who is AG? Who must sign off on each removal? DOJ in charge of FBI?
But... interestingly, if nothing is being done behind the scenes, why are there 50,000+ sealed indictments across the US [what % = USA v. X?]? Coincidence vs. HIRER start?

How do you navigate around installed corrupt [FBI][DOJ]?
USE A STEALTH BOMBER
Who must authorize firing of FBI/DOJ officials?
Why did McCabe try to take SESSIONS out?

What was the SESSIONS SENATE CONF VOTE?
52-47
No. 17
Logical thinking v clickbait.
Q

But... interestingly, if nothing is being done behind the scenes, why are many 'powerful' CEOs, members of Congress/ Senate, resigning? Coincidence? Example: Pre_POTUS did the SPEAKER OF THE HOUSE indicate wanting to leave politics?
But... interestingly, if nothing is being done behind the scenes, why are human trafficking arrests SURGING?
Nothing to See Here.

To all the naysayers, Sessions will be vindicated and hailed as a hero when all is said and done.

By J.R. Dunn

Back in 2011, the indomitable Peter Schweizer published *Throw Them All Out*, a detailed examination of political corruption as it is actually practiced in the halls of Congress.

In his investigation, Schweizer found one single member of Congress against whom no allegations could be held – who had never taken a dime that was not his, had never cut any backroom deals, had never, simply put, played the game.

That individual was Jeff Sessions.

That fact is all you need to know to understand why Donald Trump selected Sessions for the Department of Justice, and why Sessions has followed the course he has in taking on the "Russia collusion" coup effort.

Sessions is the quintessential Eagle Scout. He will follow the rules down to the last subclause and will not make his move until every "T" has been crossed and every "I" dotted.

We saw the first results of this approach last Friday – in dealing with Andrew McCabe, this century's prime example of a "cookie full of arsenic."

Sessions waited until the FBI's Office of Professional Responsibility (which is run by Assistant Director Candice Will, who was appointed by Robert Mueller, of all people) recommended that McCabe be fired. He then had McCabe officially informed beforehand, following established procedure to the letter.

This comes under the rubric of "strategy," a concept unfortunately foreign to too many active conservatives. A large number of cons recognize only one course of action: a headlong charge against the closest target while howling at the top of their lungs. Not only do they dismiss any more subtle form of action, but they often attack those engaging in it of cowardice or corruption, or of being an "Alinskyite-Obamaist commie stooge" – despite the fact that their kamikaze runs usually end up heading over the nearest cliff.

So it was with Sessions, who has been routinely dismissed as "paid off," being "asleep under his desk," or as "part of the swamp."

Sometimes you need to 'take one for the team publicly' before you are vindicated as a hero.
