New drops (21 Jan '20). No wonder these criminals have such powerful positions. The more dirt (leverage) puppet masters have over them, the more they are rewarded with key positions giving the puppet master a LOT of power. Dem control of CA & NY critical > rampant voter fraud.

4. [They] know they don't have a prayer of removing POTUS fm office, they want to drag this out as long as they can to tie the Senate up fm conducting other business (e.g., hearings on Spygate, etc.). Do they really believe they will escape justice?

They are attempting to protect themselves from prosecution and prevent the public from discovering the truth.
