Dreamers shouted Pelosi down as a liar (re: deportations)
forcing her to leave after 20 min. This is small taste of how
Americans will react to Dems when truth about crimes
comes out.

Monday in San Francisco, House Minority Leader Nancy Pelosi (D-CA) was forced to leave her DREAMer press conference after being shouted down by protesters who said they are undocumented and unafraid.

After over 20 minutes of chants, the protestors chanted "you have the audacity to tell us you have been fighting deportation."

Pelosi shot back "Yes, I am."

The group began chanting, "You are a liar."

She responded, "You don't know what you are talking about."

The crowd continued chanting, "You are a liar."

Pelosi said, "You are not helping the cause."

Before walking out, she added, "Since you don't want to listen we will have to just go."

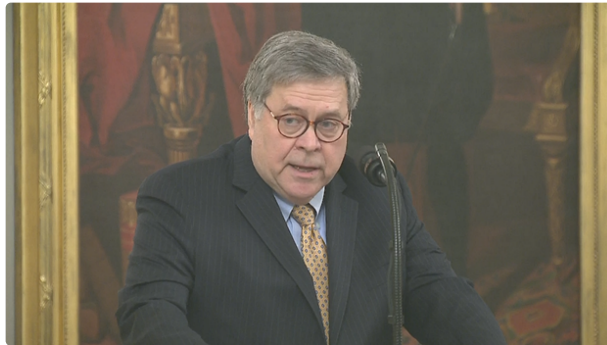

2. DECLAS of FISA docs will tie in to & expose why [they] were/are so desperate to impeach POTUS. Many powerful people were being blackmailed/controlled for participating in unspeakable crimes (recorded by people like Epstein). POTUS determined to end it.

Atty Gen Barr says human trafficking is "modern day slavery."
Says the issue is "a top priority of the whole Administration."
Pledges that the @TheJusticeDept "will do all in its power to bring human traffickers to justice."

An anonymous person recently posted new photos of Jeffrey Epstein's infamous Palm Jumeirah Island. The island features a temple atop a small mountain and has been the location of several underage sex parties arranged by Epstein and attended by several of the world's elite including ex-president Bill Clinton, his wife Hillary Clinton, Hollywood actors and even members of the world's royal families.

This is not just about sex trafficking [1].
Will the rich & powerful influence the court to prevent the unsealing?

Coleman told us that he kept regularly took notes in a journal. Coleman's notes from October 4 contained the following entry:

- (1) Anthony Wiener [sic]
- (2) [Unrelated]
- (3) Wiener [sic] - texting 15 yo - Sexually Explicit

9/26 - Federal SW - iPhone/iPad/Laptop
Initial analysis of laptop - thousands emails
Hillary Clinton & Foundation
Crime Against Children

We asked Coleman about these notes and he told us that, given their placement in his notebook, the notes would most likely represent information he was briefed on first thing in the morning by his subordinates in the Criminal Investigative Division. Coleman stated that he may have passed this information to other FBI executives after the morning briefing with the Director, but he could not remember if that occurred here.
