New early morning drops (5 Jan '20). The behavior of the Dems & Pelosi's childish stunt at the end contrasted with a positive, uplifting speech filled with amazing accomplishments & tributes is waking more people up!

Congrats to the Democrats, who after last night are now officially the Party of impeachment, open borders, abolishing ICE, banning the 2nd Amendment and unbridled socialism.

SLEEP NO MORE.
You underestimated their resolve and their ability to free-think away from the pipeline narrative.

Remember That the Democrats Sat While You Were Celebrated Last Night

I end a lot of articles about how the Democrats really feel about you by telling you to vote accordingly, but Trump's State of the Union speech highlighted the Democrat's utter contempt for President Donald Trump, you, and this country last night as they sat through almost every applause line that celebrated you doing well.

As the GOP highlighted in a video they posted to Twitter, the Democrats heard about the all-time low unemployment levels of the black community, the Hispanic community, the young adult community, and more. This should be a reason to celebrate. We should see our elected leaders getting to their feet and showing support, but instead only half the room decided to stand.

The other half, the Democrats, sat still, arms folded, and practically seethed at times.

POTUS will be well insulated/protected on AE1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make America great again. Let us salute and pray for the brave men and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people.

It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags - stay alert, be vigilant, and above all, please pray.

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. Love is patient, love is kind."

God bless my fellow Americans.

Mr. James M. Murray
Director
United States Secret Service

Dear Mr. Murray:

The Committee on Finance and Homeland Security and Governmental Affairs ("the committees") are reviewing potential conflicts of interest posed by the business activities of Hunter Biden and his associates during the Obama administration, particularly with respect to his business activities in Ukraine and China. In addition to several letters that the committees have sent to other agencies as part of that inquiry,¹ the Committee on Finance also has written to the Department of Treasury regarding potential conflicts of interest in the Obama-era CFIUS-approved transaction which gave control of Hemingres, an American maker of anti-vibration technologies with military applications, to a Chinese government-owned aviation company and China-based investment firm with established ties to the Chinese government. That transaction included Rosemont Seneca Partners, a company formed in 2009 by Hunter Biden, Christopher Heitz, and others.²

We write to request information about whether Hunter Biden used government-sponsored travel to help conduct private business, to include his work for Rosemont Seneca and related entities in China and Ukraine. In December of 2013, one month after Rosemont Seneca's joint venture with Bohai Capital to form BHR, Hunter Biden reportedly flew aboard Air Force Two with then-Vice President Biden to China.³ While in China, he helped arrange for Jonathan Li,
