NOLTE: AS DISNEY CEO BOB IGER TESTS PRESIDENTIAL WATERS, HARVEY WEINSTEIN CASE LOOMS

by JOHN NOLTE | 14 Apr 2018 | 140

While far-left Disney CEO Bob Iger is running around [testing the presidential waters](#), the studio's connections to multiple sexual misconduct scandals still simmer, and a Toronto court just ruled against Disney in a sordid case tied to Harvey Weinstein and Disney.

3. Great piece by [@NolteNC](#) re: Disney's "open secret". "Everybody knew."

Nolte: "But if there is a singular pattern, a black thread running through all of this, it is woven directly into the history of the Walt Disney Co."

Nolte - Disney's Monsters Inc.: Harvey Weinstein, John Lasseter, and ...

The Walt Disney Co. employed three powerful men so far accused of sexual misconduct -- John Lasseter, Mark Halperin, and Harvey Weinstein.

Everybody knew! Everybody knew! Everybody knew! Over and over and over again, as these non-stop allegations result in a long overdue reckoning for the cream of our media and Hollywood crop, we are told that *Everybody Knew!* But if there is a singular pattern, a black thread running through all of this, it is woven directly into the history of the Walt Disney Co.

Disney will be protected for two reasons. 1) Disney is a left-wing company. 2) Disney's Rupert Murdoch, its chairman and CEO, is Bob Iger, a longtime Democrat who raised money for Hillary Clinton's presidential campaign, who resigned from a Trump advisory council after the president pulled out of the Paris Climate Agreement, and who is now registered as an Independent — a move many see as the first in a 2020 bid to unseat Trump.

No, Disney will be enabled and protected because as we have seen over the last eight weeks, America's beautiful people within Harveywood and the mainstream media come in only three packages: 1) Those who abuse women. 2) Those who enable those who abuse women. 3) And the victims of #1 and #2.

The media will work overtime to smother any inconvenient Disney truths, so [this](#) might be the only route to full corporate transparency and accountability.

Hat tip to Variety for the Monsters Inc. headline.

Confirm or Deny

Maureen Dowd: You have thoughts on Sean Spicer being on ABC's "Dancing With the Stars."

Bob Iger: No. Let's move on.

Steve Jobs used to call you on Saturday mornings when he thought a Disney film was a dud.

Oh, that's true.

You avoid carbs, except pizza, which you try to get anywhere in the world.

Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people.

The Meaning of Numbers: The Number 7

Used 735 times (54 times in the book of Revelation alone), the number 7 is the foundation of God's word. If we include with this count how many times

'sevenfold' (6) and 'seventh' (119) is used, our total jumps to 860 references.

Seven is the number of completeness and [perfection](#) (both physical and spiritual). It derives much of its meaning from being tied directly to God's creation of all things. According to some Jewish traditions, [the creation of Adam](#) occurred on September 26, 3760 B.C. (or the first day of Tishri, which is the seventh month on the Hebrew calendar). The word 'created' is used 7 times describing God's creative work (Genesis 1:1, 21, 27 three times; 2:3; 2:4). There are 7 days in a week and [God's Sabbath](#) is on the 7th day.

The Bible, as a whole, was originally divided into 7 major divisions. They are 1) the Law; 2) the Prophets; 3) the Writings, or [Psalms](#); 4) the Gospels and Acts; 5) the General Epistles; 6) the Epistles of Paul; and 7) the book of Revelation. The total number of originally inspired books was forty-nine, or 7 x 7, demonstrating the absolute perfection of the Word of God.
