The Brennan Center for Justice, which is heavily financed by George Soros, is advocating the use of drop boxes to deposit ballots on voting day this November as part of a suggested overhaul of the U.S. voting system due to the Chinese coronavirus pandemic.

With other Soros-financed groups, the Brennan Center has been leading a campaign advocating a “vote by mail” system in the upcoming presidential election, citing fears that coronavirus makes it too dangerous to vote in person. Some of the groups are using the coronavirus crisis to push permanent changes to the way Americans vote.

Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but again he rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God.

Prepare.

For Humanity.
