Difficult to imagine media [D party] attempting to squash all hope of a cure?

Difficult to imagine media [D party] wanting public to remain in fear [re COVID-19] up until the election?

Difficult to imagine media [D party] willing to sacrifice lives in order to regain power?

The Cannibal Club does not exist. Your News Wire based their article on two components: first, a fake "Cannibal Club" **web site**, which has been online since at least 2009; and second, a "leaked" document purportedly listing Streep, Clinton, and Perry as members.

The "**staff**" photographs on cannibalclub.org all come from stock photo web sites. Whoever designed the site used a photograph labeled "**Beauty at her forties**" for Elspeth Blake, the supposed proprietor; "**Beatnik Nick**" as the photograph for "Art Director" Hero Connors; and "**Japanese woman in a tank top**" for "Service Manager" Raven Chan. The photograph purportedly showing Chef de Cuisine Sophie Laffite is also an iStock photograph that was once used on an **auto insurance** web site:

 Did you think 'spirit cooking' was just pretend?

 Q

Specializing in the preparation of human meat, Cannibal Club brings the cutting edge of experimental cuisine to the refined palates of L.A.'s cultural elite. Our master chefs hail from around the world for the opportunity to practice their craft free of compromise and unbounded by convention.

Our exclusive clientele includes noted filmmakers, intellectuals, and celebrities who have embraced the Enlightenment ideals of free expression and rationalism. On event nights, avant-garde performance artists, celebrated literary figures, and ground-breaking musicians entertain our guests.

At Cannibal Club, we celebrate artistic excellence as the natural and inevitable expression of the unbridled human spirit.

3. Example of how MSM is complicit in covering heinous crimes > search "Pizza Gate". Many hit pieces "debunking" this yet no explanation re: coded refs in emails to "pizza", "pasta", "walnut sauce", "hotdogs" in Podesta emails. AJ promoting then apologizing is intentional tactic.

THE TRUTH IS RIGHT IN FRONT OF YOU.
Q

The establishment media's coronavirus agenda is as sociopathic as it is obvious: up the death count. Why else would the media be actively looking to discourage those suffering from the Chinese virus from taking perfectly safe (as long as it's in consultation with a doctor) anti-malaria drugs?

Simply put, the more Americans who die, the more it hurts President Trump's 2020 reelection chances. And one way to mislead the American people into believing the death count is unnecessarily high is to air chaotic hospital footage from Italy — a country with socialized medicine, by the way — and tell us this is an American hospital.
