New drops (17 Apr '17). Dr. Smith says none of his Covid-19 patients on hCQ + Z Pak needed intubation. Calls it a "game changer". "I think this is the beginning of the end of the pandemic. I'm very serious."

Will FB flag as myth?

**Facebook will start nudging users who have "liked" coronavirus hoaxes**

The company will point users who have interacted with harmful information about the coronavirus to the WHO.

Facebook just announced another step in trying to set the record straight about misleading information about **the novel coronavirus** on its platform. In the coming weeks, the company **will start directing people** who have previously “liked,” reacted, or commented on “harmful misinformation” about Covid-19 to information from **more authoritative sources, such as a my...n-busters website by the World Health Organization (WHO).**

2. POTUS re: hCQ + Z Pak > has real chance to be one of the biggest game changers in the history of medicine" > NOT hyperbole! He knows it will cure MANY other things. Big Pharma profits off treating our (created) ailments, not curing them. How many med researchers found dead?

Why is this topic relevant now?  
Why does the US taxpayer subsidize meds for the rest of the world?

3. Every attempt to oust our President, even before he won the 2016 election, is because he is ruining their plans to destroy our country. Their 16-year plan wasn't the beginning of the destruction; it was intended to be the END, culminating in forcing us into a New World Order.

Why would a President of the United States [HUSSEIN] assign 'RENEGADE' as his USSS codename? Define 'Renegade'.

noun
1. a person who deserts and betrays an organization, country, or set of principles.
synonyms: traitor, defector, deserter, turncoat, betrayer;
adjective: renegade
1. having treacherously changed allegiance.
