New Q (31 May '20): Yesterday:

"POTUS action coming. Homeland Security _FBI_DOJ action coming. Investigations may lead to [D][F] 'support' targets.

Today POTUS confirms. Barr releases statement: Antifa = domestic terrorist org. Violent riots = insurgency

Laura Ingraham ✓
@IngrahamAngle

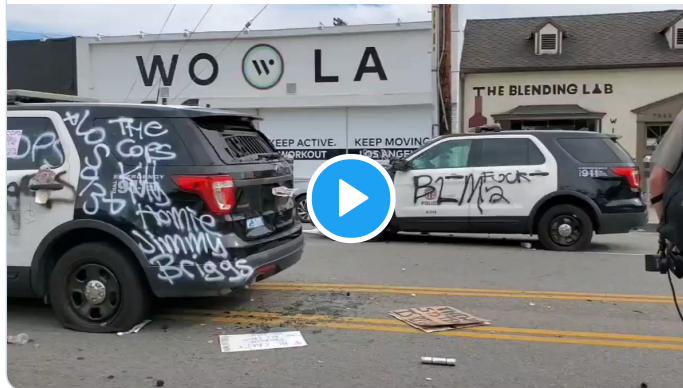

They want a civil war. This has been their aim for decades. Even during Obama years. Social media made their insurgency more efficient.

Dan Bongino ✓ @dbongino

The radical-left formally divorced itself from America last night. They are domestic terrorists and enemies of the United States. They should be treated as such.

Keyword: Insurgency

Q

2. Dems used COIN manual to conduct insurgency vs US.

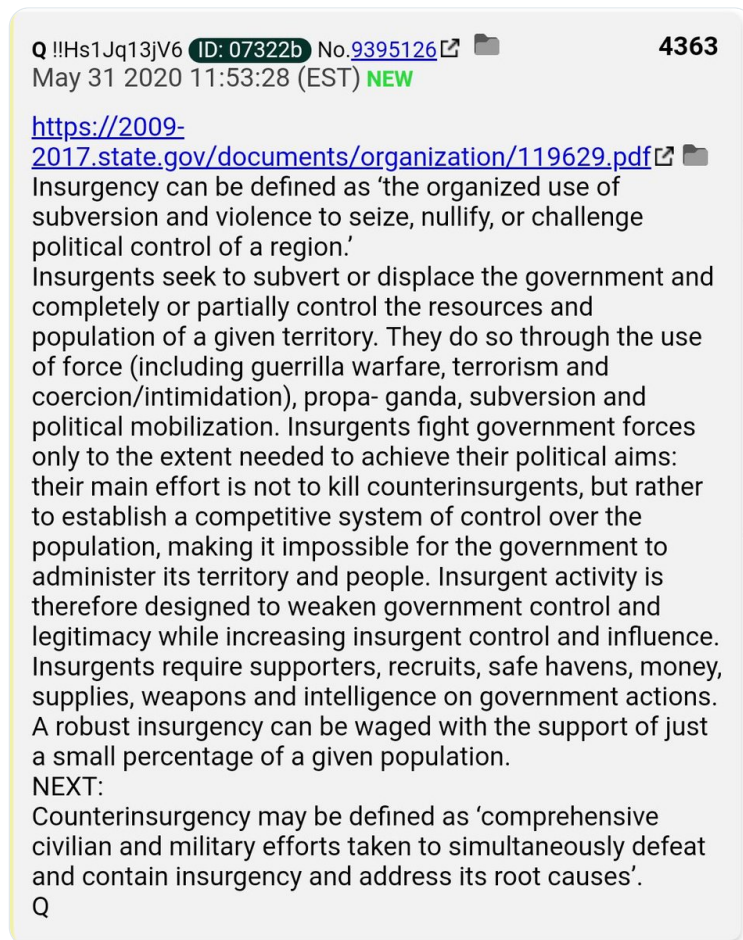

OUR turn:

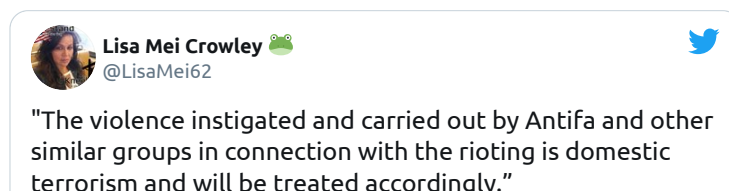

Counterinsurgency may be defined as 'comprehensive civilian and military efforts taken to simultaneously defeat and contain insurgency and address its root causes'.

<https://2009-2017.state.gov/documents/organization/119629.pdf>

3. Statement from AG Barr on "Riots & Domestic Terrorism":

"Federal law enforcement actions will be directed at apprehending and charging the violent radical agitators who have hijacked peaceful protest and are engaged in violations of federal law."

justice.gov/opa/pr/attorne...

4. Anon noted same thing (fm prev drop) that made me giddy. Addressing Antifa's root causes ties to massive web of corruption w/ Soros at the helm (using OUR tax dollars). Congress reps, MSM goons & celebs who donated to bail out domestic terrorists when arrested also complicit.

US taxpayers are paying for it all.
Paris accord = scam (trillions)
Red Cross = scam (billions)
Foreign Aid = scam (trillions)
WAR = scam (trillions)
.....on....and....on.....
Who audits where the money actually goes?
Who actually receives the money?
The US taxpayer is funding the very people we are engaged
in taking down.
Slush funds everywhere.
Think GS pays for Antifa out of his own pocket?
The hole is deep.
Feel sick yet?
Q

5. Re: Barr statement on "Domestic Terrorism", POTUS didn't use "domestic" in his tweet. Yesterday's drop: "Investigations may lead to [D][F] 'support' targets" indicates [F]oreign support. There's even an Antifa International page.

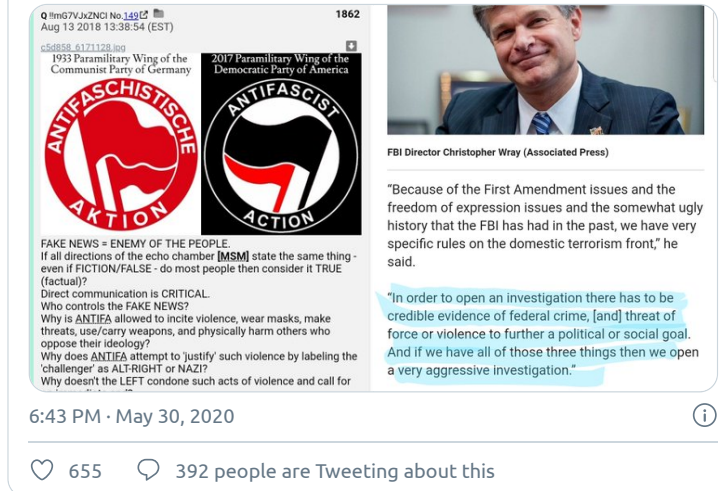

6. Some believe Domestic Terrorist designation re: Antifa means FBI will now obtain FISAs re: comms w/foreign entities. Believe Wray's testimony in Dec '17 indicates they've been investigating.

aggressive investigation." Barr confirmed Anifa/BLM, by crossing state lines, are doing just that.

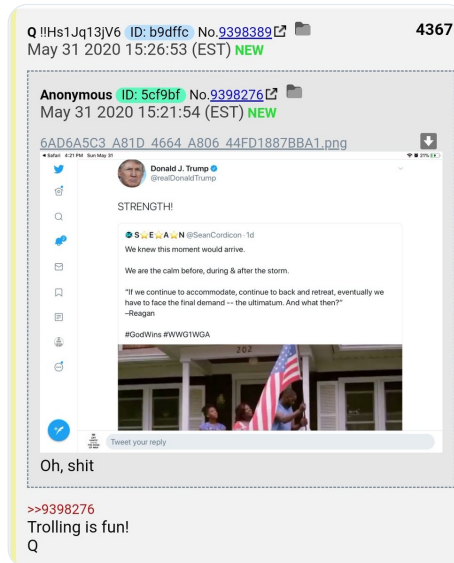

I mused earlier Antifa's busy scrubbing accounts. Too late.

7. Was super stoked for @SeanCordicon for having his video (last half of video Q has frequently linked to) with "We are the calm before, during, & after the storm" RTd by POTUS who was trolling [them]. Shortly after, Twitter suspended him.

Sean's reaction:

8. Did POTUS RT [@SeanCordicon](#)'s tweet (w/popular Q vid, ref to the storm & [#WWG1WGA](#) in his bio on same day Antifa designated domestic terrorists to bait MSM into comparing Antifa w/QAnon & to force the question? They took the bait but will they ask the Q?

They can end this at any time simply by asking POTUS,

10. God bless these wonderful souls. What a shame they have to spend a beautiful Sunday cleaning up after a bunch of punks & domestic terrorists.

11. This is the vid [@SeanCordicon](#) posted that POTUS RT'ed before he was suspended. There is NOTHING in his tweet/video that violates TOS. He needs to join others in class action lawsuit vs Twitter. Now that POTUS has signed the EO, should be able to win.

12. Reports that Antifa is headed for DC and POTUS is hiding in bunker are FAKE NEWS! POTUS currently in Situation Room (a.k.a. "Woodshed") most likely w/NSC monitoring intel re: riots nationwide.

1. There's an insurrection taking place now. Anarchy. The governors must send in the National Guard. The president must now lay the legal predicate for potentially sending in the regular military.

The Armor of God
Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people.

16. Adding this to my thread as it ties nicely w/overall topic re: Antifa. After @OCAntifa revealed they'd been infiltrating Antifa for the past 3 yrs, Twitter suspended their account. Think about that. They suspended patriots but not domestic terrorists.

 @LisaMei62

Twitter just deleted the account posing as OC Antifa but I saved a PDF of the short thread. Q told us earlier today:

"Antifa 'mapping' started a long time ago."

"Infiltration instead of invasion" works both ways. I imagine we had many similar ops in other Antifa groups.

Attention Antifa "comrades": today marks the end of an almost three year operation. Our infiltration of your movement was a success, and the faces and identities of everyone who has attended or financially supported Marxist and seditious activities has been recorded.

The countless patriots whose lives you have ruined, and families you have terrorized, will finally be avenged. No longer will the American people tolerate your Red terror and subversion of everything we hold dear. We have identified dozens of militants, and sympathizers ...

in local politics and academia, including professors at University of California, Irvine, and local DSA officials. The reckoning is here, and you are all going to feel the wrath of a nation who has finally had enough of your games. Enjoy prison!
